**SUBJECT: AIR QUALITY ADVISORY FOR 11/15/19**

The South Coast Air Quality Management District has forecasted air quality to reach levels that are Unhealthy for Sensitive Groups in its South Central Los Angeles County monitoring area today. Attached is a list of schools within the geographic footprint of Local Districts East and South that fall within this designated area. Children, older adults and people with respiratory or heart disease should minimize outdoor activity in this area.

Please share this information with schools and offices. If you should have any questions or need assistance, do not hesitate to contact our office at (213) 241-3199.
