

# Co-Teaching & The Inclusive Classroom

*Presenter: Susan Hentz, national expert*

Participants will:

- Learn strategies to build relationships, maximize communication and clarify the roles and responsibilities of co-teaching.
- Determine how to maximize instructional time with proactive planning that integrates co-teaching.
- Understand how achievement of all learners through a co-teaching service delivery model can be achieved.
- Gain resources to create effective, supportive co-taught classrooms.
- Review strategies, tips and techniques for reflection and assessment in a co-taught classroom.

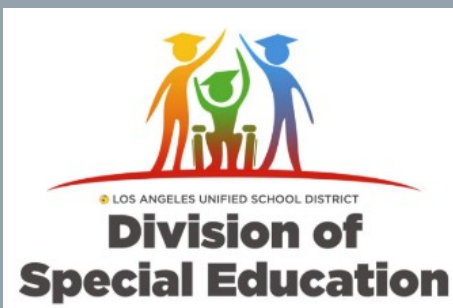

**February 3, 2020**

8:00am to 3:00pm

Edward Roybal L.C.  
1200 W. Colton St.  
Los Angeles, CA, 90026

Guidelines:

- Priority will be given to the 85 schools named in the UTLA side letter.
- Co-teaching teams need to attend together (special education and general education teachers).
- Substitute coverage must be provided by the school.
