

LA Trade Tech COUNSELOR DAY!

The Outreach and Recruitment department at Los Angeles Trade Technical College would like to invite you to Counselor Day 2019. Each year we enroll thousands of incoming freshman and we want to provide our high school partners with support as the enrollment cycle begins.

Friday, February 22nd 2019
8:30 am – 1:30 pm

Counselor Day will consist of concurrent workshops on topics including our Los Angeles College Promise program, EOPS, enrollment process, financial aid, dream resources and academic pathways.

Our goals for Counselor Day 2019 are:

1. Inform our high school partners on the enrollment processes at LATTC in order to better prepare the future students of Local District West.
2. Showcase our Pathways and educational programs offered at LATTC.
3. Create awareness of student support services offered at LATTC and how students can take advantage of supportive services.

Please visit <https://bit.ly/2FPSncS> to RSVP. We would appreciate if you would complete the Response Form on or before **Monday, February 11th** to help us facilitate the planning and logistics for Counselor Day 2019.

Parking, morning refreshments, and lunch will be provided for the participants.

If you have any questions, please call the Outreach and Recruitment office at (213) 763-5338 or email Lisa Patton-Gallardo at pattonl2@lattc.edu.
