

20th St. Elementary School

At the Heart of the Community

Every child has unique talents, interests and learning styles. Our mission is to provide ALL students with equitable opportunities. They will grow and develop habits of the mind and 21st century skills that center on a commitment to highly effective teaching and learning practices.

Our Bright Spots

At 20th St. Elementary School, we are a unified and dedicated staff featuring 30 teachers - two National Board Certified, an arts teacher, a P.E. teacher, as well as a nurse, a Healthy Start navigator, and a speech pathologist. Together, we believe that our students can achieve great things.

LAUSD/ USC Cinematic Arts and Engineering Magnet School

(Grades 6-12)

*"Home of the Junior
Trojans"*

About Us

LAUSD/ USC Cinematic Arts and Engineering Magnet School nurtures students to be global learners. We offer students a world-class education by blending science, technology, engineering and math with the visual and performing arts (STEAM).

Vision

LAUSD/ USC is unique in that we provides students with a comprehensive learning experience beginning with an understanding of the natural world (science) and its role in the human-made world (technology, engineering and math) through various forms of expression and creativity (arts). The school fosters true innovation by combining the mind of a scientist with that of an artist.

LAUSD/USC Cinematic Arts & Engineering Magnet School is part of the Magnet Schools Assistance Program, and the LAUSD Magnet School STEAM Network.

Science, Technology, Engineering, Arts and Mathematics! HOW?

Our STEAM curriculum features innovative quality programs.

Project Lead the Way (PLTW) is the nation's leading provider of K-12 STEM programs!

- **PLTW Courses at LAUSD/USC:**
Automation and Robotics/Introduction to Engineering Design

"Independent research studies reveal that PLTW students outperform their peers in school, are better prepared for post-secondary studies, and are more likely to consider careers as scientists, technology experts, engineers, mathematicians, healthcare providers, and researchers compared to their non-PLTW peers" (www.pltw.org)

Our other STEAM theme elective classes strive to combine the mind of a scientist with that of an artist...

- Digital Imaging Production/Game Design/Exploring Computer Science/Filmmaking/Film Production/

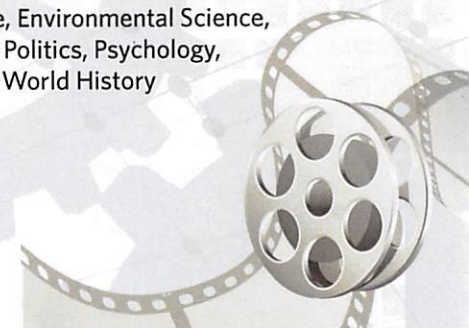

Media/Theatre Exploration/Theatre Improvisation/
Theatre World Performance

LAUSD/USC is ranked in the top 10% of high schools in passing rate for Advanced Placement (AP) Tests in L.A. County.

(L.A. Magazine, September 2014)

- **Advanced Placement Courses:**

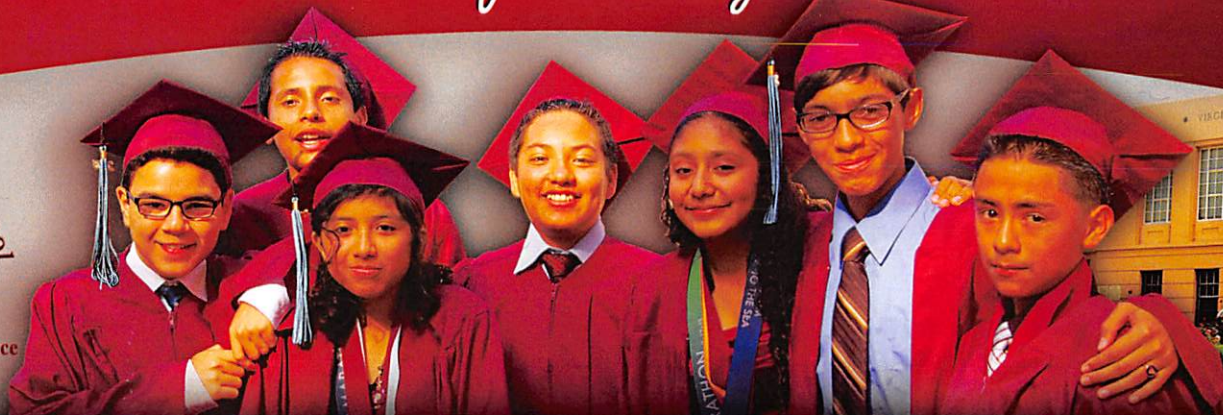

Calculus, Computer Science, Economics, English Literature, Environmental Science, Government and Politics, Psychology, U.S. History, and World History

VIRGIL MIDDLE SCHOOL

Home of the Tigers

Virgil Middle School is one of the best middle schools in all of Los Angeles Unified School District (LAUSD). Our mission is to prepare all students to be college and career ready. Go Tigers!

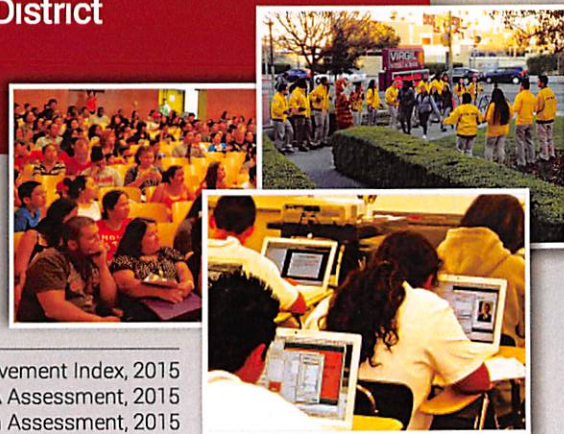

VIRGIL IS YOUR BEST OPTION. HERE'S WHY:

- Virgil Middle School ranks in the top 10% in overall academic performance within LAUSD.¹
- Virgil students score in the top 20% in English/ Language Arts among all middle schools in LAUSD.²
- Virgil ranks first place in the percentage of gifted students that met and exceeded the English and Math state standards, compared to other middle schools in the area.³
- Virgil has a 90% culmination rate.
- Virgil received the highest possible school safety rating.¹
