

BOARD APPROVED STAFFING RATIOS FOR 2020-21 OPTION SCHOOLS – JANUARY 27, 2020

The staffing ratios for teacher, administrator, counselor, and clerical positions at Options Schools will be the same as those in place for the 2019-20 school year.

GUIDELINES

TEACHERS

- The average student teacher ratio will be the same as those in place for the 2019-20 school year.
- Norm Enrollment Adjustments - As in the past, the following adjustments will be applied to FY 2019-20 Month 6 enrollment:
 - Students with more than one enrollment record (duplicate students)
 - The classification report provides counts of students with scheduled class(es) in their school of enrollment. For norm purposes, the classification report counts will be reduced to count only those students who are scheduled in two or more credit-bearing courses. Therefore, school should ensure that each student's complete schedule is entered into MiSiS in time for the Norm capture. Refer to Attachment E for the list of non-credit bearing/zero credit courses.
 - No Show students (students who are scheduled into classes but have not attended school, i.e., marked absent each day) who were not flagged by the school in MiSiS as No Show by Norm Day data capture will be manually deducted from the school's enrollment count.

- Secondary SDP Student Count

Secondary students with an active Individualized Education Program (IEP) where the Percent Time in Special Ed is 50% or more are counted as SDP in the Classification Report.

The total SDP counts are excluded in the calculation of General education norm teachers. Special education teachers are assigned to Options Schools based on the number of students with special needs and their specific disabilities. Refer to Attachment D for the Special Education norm table guide.

BOARD APPROVED STAFFING RATIOS FOR 2020-21 OPTION SCHOOLS – JANUARY 27, 2020

- The student teacher ratio at Continuation Schools is based on average student teacher ratio of 29:1, with a minimum of two (2) teacher positions.

Continuation Schools use Attachment B to determine the number of teachers. The enrollment used to determine the number of teachers excludes special education students.

Independent Study (City of Angels)
