About

The Perez Staff provides employment and training for young adults with special needs. Our program serves Los Angeles Unified School District students that are 18 to 22 years old.

Training

The instructional focus is on teaching job skills to students. We emphasize a hands-on practical program.

The Perez Staff provides job training on campus and in the community. These experiences help students transition from school to the workplace.

Assessment

The Perez Staff assesses students for job readiness as well as interests and abilities. This ensures a seamless transition into the world of work.

Benefits for Employers

- ★ Access to work-ready applicants
- ★ Careful screening of applicants for dependability, work ethic, work readiness and soft skills
- ★ Placement as well as ongoing supervision, monitoring and support for students on the job

Community Connections

The Perez Staff works cooperatively with families, local businesses, the Department of Rehabilitation and Regional Center. This helps link students to important services that will provide support to them throughout their lives.

Benefits for Students

- ★ Development of skills in various areas, including:
 - Vocational
 - Social
 - Work readiness
 - Daily living
 - Self advocacy
- ★ Pre-employment preparation: resumes applications, interview techniques
- ★ Work experience opportunities
- ★ Career awareness
- ★ Structured work environment
- ★ Mobility training
