

Introduction to Data Science

IDS Professional Development (PD) for LAUSD Summer 2021

IDS PD Facts

The IDS course provides a high school introduction to the world of data science. This PD is for high school teachers who will teach IDS starting in the 2021-22 academic year. Participating high school teachers will receive 9 days of PD in their first year.

IDS PD Dates

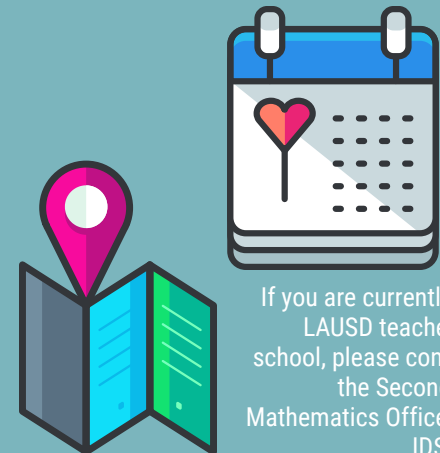

Below are the summer 2021 dates for the first 5 days of PD:

- June 15 - 17, 8:30 AM to 3:00 PM
- August 2 - 3, 8:30 Am to 3:00 PM

The 4 days during the 2021-2022 school year are to be announced.

Register in MyPLN. Search keyword: **IDSPD**

For questions, contact: Philip Ogbuehi at philip.ogbuehi@lausd.net

If you are currently an LAUSD teacher or school, please contact the Secondary Mathematics Office for IDS PD.

IDS PD Teacher's Impression

"The IDS PD has positively impacted my teaching practice across all of my classes that I teach! In addition to learning all of the cool coding tricks in R Studio, I've also acquired a ton of new teaching strategies used to help promote academic talk."

 **Ryan Hoffman, Santa Monica High School**

Approved by **Pedro Garcia**
Senior Executive Director P-12 Instruction
