POLICY: The Los Angeles Unified School District is committed to maintaining a safe learning environment for all students and employees.

This Policy Bulletin outlines reporting procedures and notification requirements, the employee reassignment process, and investigation procedures for alleged incidents of employee misconduct. This policy reflects the requirements outlined in the Board Resolution, Protect Children and Safeguard Due Process, adopted on April 16, 2013. The District is committed to ensuring all allegations of employee misconduct are dealt with in a prompt, thorough, and effective manner, and that all administrators and supervisors have clear guidelines and procedures to follow. Please keep in mind that employees accused of misconduct are entitled to respect, fairness, and due process throughout the investigation. Procedures outlined in this policy pertain to both Certificated and Classified employees. This policy will:

- Guide administrators, Division heads, and supervisors in the management of reports of employee misconduct, including sexual allegations;
- Streamline applicable procedures to allow for efficient and timely resolution of reported incidents;
- Promote student, staff, and workplace safety; and,
- Ensure due process by complying with the rights of employees under applicable laws and collective bargaining agreements.

For purposes of this bulletin, a reassignment is the temporary removal of an employee from his/her regularly assigned workplace for the safety of our students and/or staff (e.g., “temporary pull”, “housing” an employee, relocation of worksite for inquiry into allegations, suspension pending dismissal).

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

MAJOR CHANGES:

This Policy Bulletin replaces all previously-issued Policy Bulletins of the same subject, including, but not limited to, BUL-6532.1, BUL-3357.1, and BUL-5736.2. This Policy Bulletin includes updates regarding reporting of suspected abuse for dependent adults, timeline for completing a preliminary inquiry, responsibility for monitoring investigations for matters not referred to the Student Safety Investigation Team (SSIT), time reporting codes for Classified employees, and appropriate reason code when requesting substitute teachers for reassigned employees. This document reflects relevant collective bargaining provisions, as applicable. Attachments have been reordered, Attachments A and G have been revised, and Attachments E and F have been added.

GUIDELINES: The following guidelines apply.

The District must provide safe classrooms, schools, and workplaces for its students and employees. When allegations of employee misconduct arise that threaten students, staff, or workplace safety, District leaders must take appropriate and timely administrative action. Employees will be reassigned when the safety of students, schools or the workplace is clearly at risk. A few examples of incidents that may require a reassignment of an employee are:

- A. Allegations of sexual misconduct;
- B. Acts of workplace violence that threaten or result in serious injury; or,
- C. Any allegations, arrests, or filing of criminal charges related to serious criminal acts.

Employees may also be reassigned if it is determined that the employee's presence in the workplace undermines the integrity of an investigation or otherwise causes disruption. Employees are not typically reassigned based on performance, competence, or judgment issues unrelated to safety. Contact Staff Relations at (213) 241-6056 for guidance on these matters.

I. REPORTING PROCEDURES FOR ALLEGATIONS OF EMPLOYEE MISCONDUCT (Including Sexual Misconduct)

According to District policy and California law, all LAUSD employees are mandated reporters of suspected child abuse, as well as of suspected dependent/elder adult abuse. When an alleged incident occurs that involves reasonable suspicion of child or dependent adult abuse (including sexual abuse) by an employee, the following steps shall be taken:

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- A. The mandated reporter must make a telephone report to a local law enforcement agency and/or a child or adult protective services agency immediately (e.g., Los Angeles Police Department, Los Angeles County Sheriff's Department, Department of Children and Family Services, Adult Protective Services) AND submit the written report to the agency called within 36 hours of receiving the information. In cases involving alleged employee misconduct, the call must be made to a law enforcement agency, and the written report completed and mailed within 36 hours regardless of the law enforcement response. Only law enforcement has the authority to grant clearance to investigate a matter administratively. If the mandated reporter is an administrator, he/she will inquire with law enforcement as to whether the District may proceed with or should refrain from conducting an administrative investigation. Refer to BUL-1347.3, Child Abuse and Neglect Reporting Requirements, or BUL-2449.0, Dependent/Elder Adult Abuse and Neglect Reporting Requirements, for complete information.
- B. The mandated reporter must immediately notify his/her site administrator/ Division supervisor of the incident, unless the allegation involves the site administrator/Division supervisor. The site administrator/Division supervisor must in turn immediately notify the Local District Administrator of Operations.
- C. Upon receiving information from the mandated reporter, the site administrator/Division supervisor must take immediate action to stop the alleged inappropriate conduct by removing the employee from the classroom or worksite when it poses a risk to student or school safety.
- D. When alleged employee misconduct by a Division employee (e.g., food service worker, gardener) is reported directly to a Division (e.g., Transportation, M&O) and results in the removal of the accused employee from his/her assignment, the Division Head will notify the Administrator of Operations of the respective Local District wherein the misconduct occurred whenever students are impacted. The Local District Administrator of Operations will work with the Division Head to ensure that the respective Division adheres to the guidelines of this policy.
- E. The site administrator/Division supervisor will contact the Local District Administrator of Operations/Division Head. The Administrator of Operations/Division Head will consider the potential risk to student or school safety in order to determine whether or not the employee may continue in his/her assignment, report to the Local District/Division, or remain at home, pending the outcome of the investigation. The site

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

administrator/Division supervisor will inform the Local District/Division of law enforcement's determination as to whether the District may proceed with or should refrain from conducting an administrative investigation.

- F. The Office of the Superintendent has determined that all Local District administrators shall be responsible for supporting school sites. The Operations Coordinator and Director assigned to the school site, or in cases of Division employees, the Division Supervisor and Division HR Representative shall meet to discuss the course of action to be taken in a preliminary inquiry of the allegations.
- G. Before commencing a preliminary inquiry and, if needed, the Local District/ Division Administrator will confirm with law enforcement as to whether the initiation of a District investigation would interfere with any criminal investigation.
- H. The site administrator/Division supervisor will immediately generate and submit an Incident System Tracking Accountability Report (ISTAR) to include all relevant information available at the time of the report in the incident summary. The site administrator/Division supervisor will then enter regular updates up until the time that the employee is formally reassigned, or the Local District Administrator of Operations/Division Head determines that the matter is resolved.
- I. The Local District/Division shall contact the Human Resources Reassigned Employees designee at (213) 241-8391:
 - a. To discuss ISTAR incident types for allegations that appear to be sexual in nature. After such consultation with Human Resources, the Local District Superintendent/Division Head will make a final determination of the appropriate incident type to ensure that the ISTAR reflects accurate data, including the date on which the employee was initially reassigned. The ISTAR should also include law enforcement's response along with the officer's name and employee identification number.
 - b. To determine the job classification of non-permanent Certificated or Classified employees or non-employees (e.g., substitutes, at-will employees, non-district contracted employees, volunteers) before taking any adverse action against the employee.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- J. If the allegation involves the site administrator/non-school based supervisor, the mandated reporter must inform the Local District Administrator of Operations/ Division Head about the alleged inappropriate conduct. The Local District Administrator of Operations/ Division Head will generate and submit the ISTAR.
- K. If the ISTAR reflects that the allegation is of a sexual nature, Employee Relations will make an appropriate and timely report to the California Commission on Teacher Credentialing.
- L. The Local District Administrator of Operations/Division Head, in conjunction with the school and/or appropriate District offices, will monitor the incident and communicate ongoing updates through the ISTAR until the matter is resolved.
- M. Volunteers are not mandated reporters of possible child or dependent adult abuse. However, they should be encouraged to report any inappropriate conduct immediately to the site administrator/Division supervisor. The site administrator/ Division supervisor is required to report the allegation to the appropriate reporting agency if he/she has a reasonable suspicion that the allegation is true.

II. CTC REPORTING AND INVESTIGATION PROCEDURES

The Education Code requires all California school districts to report allegations of sexual misconduct by Certificated employees to the Commission on Teacher Credentialing (CTC). Employee Relations makes all such reports to the CTC on behalf of LAUSD. Local Districts/Divisions will utilize ISTAR to monitor and document its investigative activities related to alleged sexual misconduct by Certificated employees that have not been removed from the worksite. It is expected that Local Districts'/Divisions' inquiries will be completed within five (5) working days of the initial reporting of the allegations. If an inquiry into allegations by a Local District/Division cannot be completed within five (5) working days, the Administrator of Operations/Division Head should consider formally reassigning the employee. Employee Relations shall:

- Review the allegation and any additional information as documented in the initial ISTAR.
- Report allegations of sexual misconduct by Certificated employees to the CTC.
- Provide the CTC notification regarding case outcomes based on information received from Local Districts/Divisions.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

Contact Employee Relations (213) 241-6591 for questions.

III. PRELIMINARY INQUIRY OF ALLEGATIONS (Up to five (5) working days)

- A. The decision to reassign an employee pending the outcome of an administrative inquiry and final recommendation for action typically rests with the Local District Administrator of Operations/Division Head, except when the allegations are against a school-based administrator. If the employee is a school-based administrator, the Local District Administrator of Operations will consult with the Local District Superintendent before making a final reassignment determination.
- B. If a decision is made to reassign an employee, the site-based administrator/Division supervisor shall do the following:
 1. Inform the employee that the removal from the worksite is due to an allegation of employee misconduct and provide the employee with the *Directive to Report to Local District/Division* document (Attachment A). Attachment A will be provided to the worksite by the Local District/Division.
 2. Direct the employee not to interfere with the investigation being conducted by law enforcement and/or the District.
 3. Direct the employee not to harass, intimidate, and/or retaliate against students, staff, or parents of the school or any other District school.
 4. Direct the employee not to contact students of the school or any other District school, with the exception of those who are members of the employee's immediate family or household.
 5. Retrieve and secure the employee's keys, grade books, teacher's manuals, job-related logs/ledgers, and all District-issued portable technology devices including laptops, phones, iPads, etc. as soon as the employee is removed from his/her classroom or work area.
 6. Ensure that no one attempts to recover or view evidence or data on any electronic devices issued to or accessed by the employee.
 7. Store all technology-related devices assigned to the employee in a secure location at the worksite in order to establish a chain-of-custody.
 8. Retrieve student records that may prove pertinent to the case, i.e., any student files from the classroom of an employee who is accused of alleged misconduct.
 9. Direct the employee not to access any district/school databases or non-public district web sites.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

10. Deactivate the employee's access to district/school databases (e.g., MiSiS).
 11. Advise the employee that he/she shall not enter the premises of the school site or office or any other District school or facility without prior written administrative direction or approval from the Local District Administrator of Operations/Division Head.
- C. The Local District/Division shall do the following upon the employee's reassignment to the Local District/Division:
1. Provide the school site with the *Directive to Report to Local District/Division* document (Attachment A), and submit an electronic copy of the form immediately to HRIncidentReporting@lausd.net in order to ensure timely and accurate tracking.
 2. Conduct an intake meeting with the employee on the first day of reassignment and provide a completed *Preliminary Reassignment Memo* (Attachment B), and submit an electronic copy of the form signed by the employee immediately to HRIncidentReporting@lausd.net. Contact the Human Resources Reassigned Employees designee at (213) 241-8391 should the employee request a leave or be absent for any other reason that prevents the Local District/Division from conducting the intake meeting for reassignment. **Note:** The timeline for the preliminary reassignment begins on the first date the employee is directed to report to the Local District/Division, regardless of whether an employee requests a leave of absence, calls out for illness, fails to report, etc. None of these reasons will result in an extension of the five (5) day timeline to complete a preliminary inquiry.
 3. Within three (3) days of reassignment, provide the employee with both a verbal and written explanation of the reason(s) for the reassignment (See *Notice of Reason for Preliminary Reassignment Pending Investigation*, Attachment C), and submit an electronic copy of the form signed by the employee immediately to HRIncidentReporting@lausd.net. Please refer to the *Recommended Brief Incident Descriptions* (Attachment D) to complete *Notice of Reason for Preliminary Reassignment* (Attachment C). If law enforcement requests that the Local District/Division refrain from informing the employee of the allegation, the Local District/Division is to state only that an investigation is being conducted due to an allegation of possible employee misconduct (refer to Attachment D, Item A).

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- D. The Local District Administrator of Operations/Division Head shall coordinate with school or worksite administrators to conduct a preliminary inquiry of the allegation(s) prior to making the decision to formally reassign an employee. It is expected that this preliminary inquiry will be completed and documented within the first five (5) working days of the initial reassignment (refer to Attachment E, *Administrative Report Template for Preliminary Inquiry*). Should extenuating circumstances arise during the preliminary inquiry, the Local District Administrator of Operations/Division Head may provide rationale for an extension of the timeline for up to two (2) additional days for consideration.
- E. Contact the following offices for questions or support:
- Human Resources Reassigned Employees Designee (213) 241-8391: Reassignment process or paperwork, ISTAR incident type, employee classification, extension of timeline for preliminary inquiry.
 - Student Safety Investigation Team (SSIT) (213) 241-7073: Preliminary inquiry/investigation, information regarding the status of law enforcement holds, ISTAR documentation.
 - Office of the General Counsel (213) 241-6601: Legal questions.
 - Staff Relations or Human Resources Representatives: Employee discipline matters.
 - Certificated Employees: (213) 241-6056
 - School-based Classified Employees (other than Facilities/M&O or Food Services employees): (213) 241-6056
 - Facilities/M&O: (213) 241-0312
 - Food Services: (213) 241-2993
 - Central Offices:
 - Information Technology (213) 241-2687
 - Procurement Services (562) 654-9302
 - Transportation (213) 580-2970
- F. During the first five (5) working days of the reassignment of the employee, the Local District/Division shall:
1. Confirm that a child abuse report has been made to law enforcement by phone, a written SCAR (Suspected Child Abuse Report) or SOC 341 (Suspected Dependent Adult and Elder Abuse Report) completed and mailed regardless of response, and that the District has been cleared by law enforcement only to initiate an administrative investigation.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

2. Confirm that an ISTAR has been entered, submitted, and includes all relevant information available at the time of the report in the incident summary. Continue to monitor that the site administrator/Division supervisor enters regular updates up until the time that the employee is formally reassigned, or the Local District Administrator of Operations/Division Head determines that the matter is resolved.
 3. Ensure that any and all technology-related equipment has been secured at the worksite. The Local District Operations Coordinator should consider securing electronic devices at the Local District if there are concerns about the items remaining at the school site.
 4. Only after securing law enforcement clearance, interview and attempt to secure written statements from the alleged victim(s) and witness(es) regarding the alleged misconduct (refer to Attachment E, *Administrative Report Template for Preliminary Inquiry*).
 5. Ensure that written statements include detailed information related to the allegation (who, what, when, where, how and why), the printed full name and signature of the person writing the statement, and the date on which the statement was written. No one other than the author should write on or otherwise modify the statement. For alleged victim(s) and/or witness(es) unable to write a statement, the person transcribing the statement will provide his/her printed full name and signature, along with the date on which the statement was verbally reported.
 6. Check school or worksite employee files in order to ascertain if any prior misconduct by the accused employee has been documented via conference memo, discipline, letter of reprimand, etc., and collect copies.
 7. Contact Staff Relations and/or Employee Relations for information related to other possible employee misconduct including prior discipline issued/served, prior allegations of employee misconduct, etc.
- G. For cases involving criminal matters, the Local District/Division shall consult with the SSIT. In the case that a site administrator receives notification directly from law enforcement regarding an employee under investigation for a criminal matter, the site administrator shall immediately notify the Local District Administrator of Operations and Employee Relations. If law enforcement has not fully granted clearance for LAUSD to initiate an administrative investigation by the third day of the employee's preliminary reassignment, the Local District shall contact the SSIT designee for guidance. If law enforcement has not fully granted clearance by the fifth day, the Local District shall formally reassign the employee, and the SSIT shall become the sole contact with law enforcement.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- H. After a preliminary inquiry of the allegation (by the end of the fifth working day) has been completed, the Local District Administrator of Operations or the Division Head will decide whether to return the employee to the worksite or proceed with formal reassignment as set forth below. If the employee is a school-based administrator, the Local District Administrator of Operations will consult with the Local District Superintendent before making a final determination to return the employee to the worksite or to proceed with formal reassignment.
- I. If the decision is made to return the employee to the worksite, the Local District Superintendent/Local District Administrator of Operations, or the Division Head will immediately conduct a return to work conference with the employee prior to his/her return to the worksite and submit the *Return to Worksite Accountability Form* (Attachment L) to the Human Resources Reassigned Employees designee at HRIncidentReporting@lausd.net. If the findings of the Local District/Division preliminary inquiry indicate that the allegations of misconduct made against the employee are unfounded or unsubstantiated, a conference memorandum must be issued regardless for purposes of documentation. Contact your assigned Staff Relations Field Director (Certificated) or Human Resources Representative (Classified) for assistance. Contact the Human Resources Reassigned Employees designee at (213) 241-8391 should the employee request a leave or be absent for any other reasons that prevent the Local District/Division from conducting the return to work conference.
1. Ensure that the ISTAR has been updated to include the Local District's/Division's general description of its investigative process, including findings, action steps, and resolution. Details of the investigation should be documented in an administrative report (refer to Attachment E, *Administrative Report Template for Preliminary Inquiry*).
 2. Notify Employee Relations that the investigation is completed and documented in cases of Certificated employees who have been reported to CTC for alleged sexual misconduct. Employee Relations will forward updated information to the CTC for its records of the District's response to the allegations.

IV. REASSIGNMENT OF AN EMPLOYEE PENDING OUTCOME OF A FORMAL INVESTIGATION (Beyond five (5) working days)

When a credible allegation of employee misconduct indicates a significant safety risk to students, staff, other employees, or members of the school community, the employee will be reassigned, in most cases to home.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

Classified employees may be reassigned to worksites where no students are present. For purposes of this bulletin, a reassignment is the temporary removal of an employee from his/her regularly assigned workplace for the safety of our students and/or staff (e.g., “temporary pull”, “housing” an employee, suspension pending dismissal, relocation of work site during investigation). In all situations, the *Reassignment of District Employee* form (Attachment G) must be completed and submitted to HRIncidentReporting@lausd.net.

Employees may be reassigned as a result of inappropriate conduct occurring at or away from the worksite, including, but not limited to:

- Allegations of sexual misconduct;
- Acts of workplace violence that threaten or result in serious injury; or,
- Any allegations, arrests, or filing of criminal charges related to serious criminal acts, in accordance with applicable law.

Employees may also be reassigned if their presence causes disruption at the workplace or undermines the integrity of an investigation.

Procedures in this bulletin apply to both Certificated and Classified employees. Local Districts should contact the Human Resources Reassigned Employees or SSIT designees for all other cases of alleged misconduct involving students by non-permanent Certificated or Classified employees or non-employees, including substitutes, at-will employees, non-district contracted employees, volunteers, etc.

When a Certificated or Classified employee is reassigned pending the outcome of an investigation, the following must occur:

- A. The Local District Administrator of Operations or Division Head will complete the *Reassignment of District Employee* form (Attachment G, formerly known as a “pull memo”) and submit it electronically to HRIncidentReporting@lausd.net.
- B. Submit the electronic form immediately after the decision is made by the Local District Administrator of Operations or Division Head to reassign a Certificated or Classified employee in order to ensure timely and accurate tracking.
- C. The *Reassignment of District Employee* form will be reviewed for consistency with the guidelines for reassignment. If the reassignment does not appear to meet the criteria described in this policy, Human Resources will contact the Local District Administrator of Operations or Division Head to discuss.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- D. Once the *Reassignment of District Employee* form (Attachment G) is submitted, employee time will be reported as follows:
1. Employee Relations will report and approve time for Certificated employees. Each Local District/Division is responsible for collecting and sending a signed timecard for each reassigned Certificated employee to the Employee Relations timekeeper designated for reassigned employees.
 2. Attachment O, *Time Reporting*, and Attachment O-1, *Substitute Reimbursement Form for Reassignment of Teacher(s)*, provides additional information regarding time reporting for reassigned Certificated employees. When requesting a substitute teacher using *SmartFind*, select “Reassignment” as the reason code.
 3. The worksite will continue to report time for permanent Classified employees. The worksite shall not report the employee’s time as vacation, unless the employee’s respective bargaining agreement stipulates such, or the employee makes a request for vacation time to his/her worksite supervisor while reassigned and receives approval.
 4. The Human Resources Reassigned Employees designee shall determine an employee’s permanency status and job classification and inform all appropriate offices in order to determine next steps for pay and reassignment protocols. The Local District and school site shall wait for a response from Human Resources prior to taking any adverse action against the employee.
- E. The Local District Administrator of Operations/Division Head or designee will do the following:
1. Ensure that all technology-related devices assigned to the employee have been retrieved and locked in a secure location in order to establish a chain-of-custody.
 2. Complete the *Student Safety Investigation Team Request for Assistance* (Attachment I) and submit it to the SSIT Director at HRIncidentReporting@lausd.net for a full investigation whenever student safety has been compromised. The incident description must include the initial allegation along with new developments and additional information uncovered during the preliminary inquiry that supports the decision of the Administrator of Operations/Division Head to request a full investigation.
 - a. Local Districts/Divisions should contact other District offices for matters for support with investigations involving employee misconduct that does not impact student safety. (See Section V.A.)
 - b. A forensic examination of District-issued devices will be completed for investigations involving sexual misconduct. For all other

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

investigations, forensic examinations will be completed as deemed necessary.

3. Conduct a formal reassignment meeting with the Certificated or Classified employee to provide immediate verbal and written direction regarding procedures for reporting while formally reassigned (See *Preliminary Reassignment to Local District at Home* or Division Name at Home, Attachment H, for specific topics to be discussed). Contact the Human Resources Reassigned Employees designee at (213) 241-8391 should the employee request a leave of absence, call out for illness, fail to report, or for any other reasons that prevent the Local District/Division from conducting the formal reassignment meeting.
4. Ensure that the employee is or was previously provided with both a verbal and written explanation of the reason(s) for the reassignment within three (3) working days (refer to Section III.C.3). If law enforcement requests that the Local District/Division refrain from informing the employee of the allegation, state only that an investigation is being conducted due to an allegation of possible employee misconduct (refer to *Notice of Reason for Preliminary Reassignment Pending Investigation*, Attachment D, Item A).

In most cases, after the formal reassignment meeting with the Local District Administrator of Operations/Division Head, the reassigned employee will remain at home and will not report to the Local District/Division, unless directed to do so.

V. INVESTIGATIONS

A. District Investigations

Various investigative units within LAUSD support the District in a variety of matters involving employee and student misconduct:

- Office of the Inspector General (213) 241-7700: Investigates matters of fraud, waste, finance, and other related issues.
- Human Resources Representatives (213) 241-6056: Investigates misconduct by Classified employees that do not involve students (e.g., drugs/alcohol).
- Equal Opportunity Section (213) 241-7685: Addresses complaints by employees regarding employment discrimination, harassment, and retaliation.
- Office of Educational Equity (213) 241-7682: Addresses matters impacting students, whether student-to-student or adult-to-student, involving discrimination in the learning environment (e.g.,

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

harassment/sexual harassment, intimidation and/or bullying).

Human Resources shall track employees reassigned by these Divisions through the completion of their investigation.

B. District Investigations: Student Safety Investigation Team (SSIT) (213) 241-7073

In addition to the aforementioned units in Section A, the SSIT investigates matters of alleged employee misconduct by employees that impact student safety (sexual and non-sexual). These investigations are conducted when a request for assistance is made by a Local District or Division and the employee has been formally reassigned away from his/her regularly assigned worksite. Under certain circumstances, outside contracted investigative firms will conduct investigations on behalf of the District.

The Student Safety Investigation Team will:

- Make every attempt to complete all full investigations within 120 working days of the date the administrative case is cleared by law enforcement and opened, in accordance with the Board resolution. It is the District's goal, however, to complete investigations within 90 working days should no complications arise.
- Investigate all allegations of sexual and non-sexual misconduct which result in the formal reassignment of an employee.
- Offer consultation and assistance to support Local District/Division investigations of alleged misconduct by non-reassigned employees.
- Serve as a resource for communication with law enforcement for allegations involving criminal matters.

C. Law Enforcement Investigations

When a child abuse or dependent adult report is made by phone to law enforcement, the site-based administrator/Division supervisor will inquire with law enforcement before commencing an inquiry into the matter as to whether the initiation of a District investigation would interfere with any criminal investigation. Only law enforcement has the authority to grant clearance to investigate a matter administratively.

If law enforcement does not grant the District clearance to investigate and the employee has been officially reassigned pending investigation, the following will occur:

1. The SSIT will become the sole liaison to law enforcement on behalf of

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

the Local District/Division once the *Request for Student Safety Investigation Team Assistance* (Attachment I) has been submitted.

- a. The incident description must include the initial allegation along with any additional information uncovered during the course of the preliminary inquiry that supports the decision to request a full investigation.
2. The SSIT will regularly contact law enforcement for updates and will relay the information to the Local District Administrator of Operations/Division Head and other applicable parties via email and/or by telephone.
3. The Local District/Division shall regularly update the ISTAR with information received from the SSIT.
4. For questions regarding law enforcement's access to students, employees, or information, administrators/supervisors should contact the Office of the General Counsel at (213) 241-7600.

D. Other External Agency Investigations

One or more external agencies may also investigate matters of alleged misconduct by employees in addition to law enforcement agencies. These may include the Department of Children and Family Services (DCFS), Adult Protective Services (APS), the Department of Social Services (DSS), and the Commission on Teacher Credentialing (CTC). Please note that these investigations are separate and independent from any District administrative investigation, and have no bearing on any action the District may take at the conclusion of its investigation.

VI. NOTIFICATION AND COMMUNICATION FOR ALLEGATIONS OF SEXUAL MISCONDUCT

A. Parent Letter and Blackboard Connect

After law enforcement notifies the Local District/Division, or after the Local District/Division informs law enforcement about an allegation of sexual misconduct of an employee, the following shall occur:

1. The Local District/Division will consult with the Los Angeles School Police Employee Crimes Coordinator before releasing any information to parents and guardians.
2. The Local District Superintendent will make the determination as to whether or not the school should disseminate a 72-hour notification and/or Blackboard Connect message for any matter occurring within

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

his/her Local District, including those involving Division employees that impact students within the Local District (e.g., The Local District Superintendent and/or the Administrator of Operations may consult with the Office of the General Counsel, the Los Angeles School Police Department's Employee Crimes Coordinator assigned to the Student Safety Investigation Team, the Office of Communications, and/or the Office of School Operations regarding the release of the 72-hour Parent Notification Letter and/or Blackboard Connect message. The communication shall be documented in the respective ISTAR.

3. If there are extenuating reasons not to send the 72-hour notification, the Local District Superintendent and/or the Administrator of Operations/Division Head will advise the site administrator/Division supervisor and will note the reason in the ISTAR.
4. Once law enforcement ensures that parent notification will not compromise the investigation, the site administrator, with the approval of the Local District Superintendent, will send the 72-hour Parent Notification Letter and/or a Blackboard Connect message to parents and guardians as described below:
 - a. The Local District/Division shall not include the name of the employee (unless approved by the Office of the General Counsel at (213) 241-7600.
 - b. The parent notification will specify whether the case involves any ongoing investigation and/or if there has been an arrest of the employee due to an allegation of sexual misconduct.
 - c. Principals shall use specific letter and Blackboard Connect phone message templates as follows:
 - **Attachment I - *On-Going Law Enforcement Investigation Template***
Principals shall use the Attachment I template after an employee has been removed from the worksite due to a criminal investigation.
 - **Attachment J - *Law Enforcement Arrest of an Employee Template***
Principals shall use the Attachment J template if the law enforcement agency has confirmed an arrest of an employee.
 - **Attachment K - *District's Administrative Investigation – No Arrest by Law Enforcement Agencies Template***
Principals shall use the Attachment K template if the law enforcement agency has confirmed that they are not proceeding criminally and advises the case be handled administratively.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

B. Informational Meeting for Parents, Guardians and Community

The Local District/Division may conduct an informational meeting for parents, guardians and the community in consultation with the Office of the General Counsel, the Office of Communications, and the Los Angeles School Police Department.

C. Communications to the Media

1. All communications to the media regarding alleged incidents of egregious misconduct will be coordinated through the Office of Communications in consultation with the Office of the General Counsel, School Operations, Employee Relations, and/or the Student Safety Investigation Team.
2. Specifically, all communications with the media will emphasize that the initial removal of an employee should not be interpreted as a substantiation of the allegation.

VII. CONCLUSION OF INVESTIGATION AND LOCAL DISTRICT/ DIVISION DETERMINATION OF NEXT STEPS

Upon conclusion of its investigation, the Student Safety Investigation Team will submit a final investigation report to the Local District Administrator of Operations/Division Head for review. Within fifteen (15) working days of receipt of the final investigation report, the Local District Administrator of Operations/Division Head will make a determination to return the employee to a worksite or to initiate disciplinary proceedings.

- A. The Local District Administrator of Operations/Division Head will complete Attachment L, *Reassignment Review Packet Checklist*, in collaboration with the principal/immediate supervisor, as well as Staff Relations/Division Human Resources Representative, and submit it electronically to Human Resources at [HRIncidentReporting@ lausd.net](mailto:HRIncidentReporting@lausd.net). Human Resources will review the packet for completeness and route for processing.
1. For Certificated employees, the Local District Administrator of Operations/Division Head will meet with the employees to issue Attachment J, *Notification of Conclusion of Investigation*.
 2. For Classified employees, no meeting is held to discuss the conclusion of the investigation. The Local District Administrator of Operations will mail Attachment J, *Notification of Conclusion of Investigation*, to Classified employees by both certified and regular U.S. mail.

Հարգելի ծնողներ/խնամակալներ,

Լինելով [school name]-ի տնօրեն, ես առաջնային կարևորություն եմ տալիս մեր աշակերտների և անձնակազմի անվտանգությանը և բարեկեցությանը:

Սույն նամակով տեղեկացնում եմք ձեզ, որ [law enforcement agency]-ը հետաքննություն է վարում դպրոցի աշխատակցի վերաբերյալ՝ ենթադրյալ խախտման համար, և որ այդ աշխատակիցը հեռացվել է դպրոցից՝ մինչև հետաքննության արդյունքների ստանալը:

Դպրոցը և շրջանի վարչակազմը լիովին համագործակցում են իշխանությունների հետ: [law enforcement agency]-ի հրահանգի համաձայն, այս միջադեպի մանրամասները գաղտնի են և չեն կարող բացահայտվել:

Չնայած, որ այս բնույթի գործերում կիրառվում է անմեղության կանխավարկած՝ շրջանը վերաբերվում է լրջորեն յուրաքանչյուր զեկուցվող խախտման դեպքին: Մենք պատրաստ ենք համառորեն զբաղվել յուրաքանչյուր դեպքով՝ ճշմարտությունը բացահայտելու, ինչպես նաև, անհրաժեշտության դեպքում՝ համապատասխան կարգապահական կամ վարչական միջոցներ նախաձեռնելու նպատակով:

Շրջանը կտրամադրի հոգեբաններ, ովքեր կաշխատեն այն աշակերտների հետ, ում վրա աշխատողի հեռացումը կարող է ազդեցություն թողնել:

Ուզում եմ հավաստիացնել ծնողներին ու խնամակալներին, որ դպրոցը և շրջանը կձեռնարկի բոլոր միջոցները՝ աշակերտների և անձնակազմի անվտանգությունը ապահովելու համար: Հարցեր ունենալու դեպքում խնդրում եմ դիմել ինձ [school phone number] հեռախոսահամարով:

Dear Parents/Guardians,

As principal of [school name], the safety and well-being of our students and staff is my top priority.

The purpose of this letter is to inform you of an investigation involving alleged misconduct by a school employee who has been removed from campus pending the results of the District's administrative investigation.

The school and District administration have fully cooperated with the authorities. At the direction of the [law enforcement agency] the case is to be handled administratively by the District. Due to legal constraints regarding confidential personnel matters, the details of this incident cannot be disclosed. The employee has been reassigned from the campus and will not return until the District's administrative investigation is complete and the allegations are determined to be unfounded.

While there is a presumption of innocence in matters of this nature, the District takes each and every reported act of misconduct seriously. We are committed to aggressively pursuing each case to determine the truth and, if necessary, initiate the appropriate disciplinary or administrative measures.

The District will provide crisis intervention counselors to work with students who might be impacted by the removal of the employee.

I would like to reassure parents and guardians that the school and District will take every precaution to ensure the safety of students and staff at our schools. If you have any questions or concerns, please contact me at [school phone number].

Sincerely,

[Principal's name]

Հարգելի ծնողներ/խնամակալներ,

Լինելով [school name]-ի տնօրեն, ես առաջնային կարևորություն եմ տալիս մեր աշակերտների և անձնակազմի անվտանգությանը և բարեկեցությանը:

Սույն նամակով տեղեկացնում եմք ձեզ, որ հետաքննություն է գնում դպրոցի աշխատակցի վերաբերյալ՝ ենթադրյալ խախտման համար, և որ այդ աշխատակիցը հեռացվել է դպրոցից մինչև շրջանի վարչական հետաքննության արդյունքների ստանալը:

Դպրոցը և շրջանի վարչակազմը լիովին համագործակցում են իշխանությունների հետ: [Law enforcement agency]-ի հրահանգի համաձայն գործը պետք է վարվի վարչական կարգով՝ շրջանի կողմից: Գաղտնի կադրային հարցերին վերաբերվող իրավական սահմանափակումների շնորհիվ՝ այս միջադեպի մանրամասները չեն կարող բացահայտվել: Աշխատողը հեռացվել է դպրոցից և չի վերադառնա մինչև Շրջանի վարչական հետաքննությունը ավարտվի և մեղադրանքները համարվեն անհիմն:

Չնայած, որ այս բնույթի գործերում կիրառվում է անմեղության կանխավարկած՝ շրջանը վերաբերվում է լրջորեն յուրաքանչյուր զեկուցվող խախտման դեպքին: Մենք պատրաստ ենք համառորեն զբաղվել յուրաքանչյուր դեպքով՝ ճշմարտությունը բացահայտելու ինչպես նաև, անհրաժեշտության դեպքում՝ համապատասխան կարգապահական կամ վարչական միջոցներ նախաձեռնելու նպատակով:

Շրջանը կտրամադրի հոգեբաններ, ովքեր կաշխատեն այն աշակերտների հետ, ում վրա աշխատողի հեռացումը կարող է ազդեցություն թողնել:

Ուզում եմ հավաստիացնել ծնողներին ու խնամակալներին, որ դպրոցը և շրջանը կձեռնարկի բոլոր միջոցները՝ մեր դպրոցներում աշակերտների և անձնակազմի անվտանգությունը ապահովելու համար: Հարցեր ունենալու դեպքում խնդրում եմ դիմել ինձ [school phone number] հեռախոսահամարով:

Հարգանքով,
