Essential Functions for Continuity of Operations at School

School Name:

CONTINUITY OF OPERATIONS WORKSHEET: KEY PERSONNEL

This Worksheet is used to determine who can support each operational Essential Function at a school

Step 1: List each *non-instructional* Essential Function carried out by the school

Step 2: List the title of the positions that are critical to carrying out the Essential Function.

Step 3: For each position, list the persons who will be responsible for ensuring that the Essential Function is carried out and are cross-trained in the function in the event that the current individual is unable to perform the responsibilities of that position.
