MEMORANDUM

TITLE:	Testing Center Assignments	ROUTING Region Administrators Principals Assistant Principals Testing Coordinators
NUMBER:	MEM-160111	
ISSUER:	William Johnston, EdD, Executive Director Office of Data and Accountability	
DATE:	November 18, 2024	
PURPOSE:	This memorandum informs schools of the Student Testing Branch Testing Centers locations and the school assignment to each Testing Center.	
MAJOR CHANGES:	The South Testing Center has moved to Peary Middle School.	
BACKGROUND:	The Student Testing Branch Testing Centers manage the collection of test material for the California Assessment of Student Performance and Progress (CAASPP) and the English Language Proficiency Assessments for California (ELPAC). All test material must be submitted to each school’s assigned Testing Center on the due dates outlined in the CAASPP and ELPAC Administration Instructions which are posted on the Student Testing Branch webpage at https://www.lausd.org/testing .	
INSTRUCTION:	The Testing Centers are not open daily. Dates are announced by the Student Testing Branch (STB) in the Administration Instructions for each testing program. Before visiting a STB Testing Center, District staff must make an appointment through the STB Portal. Note that appointments are available only on scheduled turn-in days. There are four STB Testing Centers in the District: Central, South, Valley, and West. Schools that need to turn in tests or other testing materials on a date when South, Valley and West Testing Centers are closed will be required to make an appointment to drop off materials at Central Testing Center. Testing Center location information is found on Attachment A. See Attachment B for the list of Testing Center assignments.
