TITLE: Guidelines for the Required English Learner Advisory Committee and School Site Council

NUMBER: BUL-6541.0

ISSUER: Dr. Ruth Pérez, Deputy Superintendent
Division of Instruction
Rowena Lagrosa, Chief Executive Officer
Parent, Community and Student Services

DATE: July 30, 2015

POLICY: This Bulletin provides guidance to school, Local District and central office staff for the operation of the mandated English Learner Advisory Committee and School Site Council established by the Superintendent to advise on matters pertaining to the programs and use of funds for targeted student populations. The purpose, functions and operations of the committees and councils described in this Bulletin are aligned with the goals of the Los Angeles Unified School District’s Parents as Equal Partners Board Resolution and meet all state and federal requirements for the operation of school committees and councils. Any changes to the District’s allocation of state or federal categorical funds may result in additional policy modifications.

MAJOR CHANGES: This Bulletin replaces BUL-6332.0. It supersedes all prior LAUSD Bulletins, memoranda, bylaws, directives and policy guidelines related to the purpose, functions and operations of the English Learner Advisory Committee and School Site Council.

Further, this Bulletin:

- Requires any school with high school students to form a School Site Council with student representation.
- Requires the posting of a sign advising that recording is in progress at each SSC and ELAC meeting location.
- Eliminates the 24-hour Emergency Meeting option.
- Establishes a minimum attendance requirement for continued membership on
the English Learner Advisory Committee and School Site Council.

- Eliminates the five (5) day posting requirement for member and officer elections.

GUIDELINES: The Chief Executive Officer of the Parent, Community and Student Services is responsible for assisting schools and Local Districts to welcome and engage parents as partners in their children’s education and to implement all mandates regarding English Learner Advisory Committee and School Site Council.

This Bulletin affirms the role of the School Site Council as a decision-making council, subject to the approval process described in Section I below, and the advisory role of the English Learner Advisory Committee. Neither the School Site Council, nor the English Learner Advisory Committee, nor their individual members are authorized to expend public funds, enter into contracts, or otherwise place liability upon the District.

Local District Superintendents, Instructional Directors, Parent and Community Engagement Administrators and school principals have the responsibility to inform parents and all stakeholder groups of the provisions of this Bulletin and to monitor the appropriate operation of the English Learner Advisory Committee and the School Site Council.

SECTION I: SCHOOL SITE COUNCIL AND ENGLISH LEARNER ADVISORY COMMITTEE

A. School Site Council (SSC)

California Education Code 64001(a) requires districts receiving state, federal and other applicable funding through the Consolidated Application (ConApp) process ensure that participating schools prepare a Single Plan for Student Achievement (SPSA). The SPSA is a blueprint to improve the academic performance of all students to the level of the targeted performance goals of the School Quality Improvement System (SQIS) and the LAUSD District Scorecard.

Pursuant to California Education Code 52852 and 32281(2), every school shall establish a School Site Council (SSC) as the decision-making council for all programs funded through the ConApp. Further, the SSC is responsible for developing, revising and adopting the comprehensive school safety plan and the SPSA with its proposed expenditure of all categorical funds, as well as ensuring that a school meets all federal parental involvement mandates, specifically, the development and approval of the school level Title I Parent Involvement Policy, the Title I School-Parent Compact, and the Title I parental
involvement budget.

Each school with a County District School (CDS) code assigned by the California Department of Education (CDE) will establish one SSC. For sites with multiple schools on one campus, a SSC will be formed based on the assignment of a CDS code from the CDE, not on the assignment of District-provided location codes.

By delegated authority to the Deputy Superintendent of Instruction, the Los Angeles Unified School District (LAUSD) Board of Education approves each school’s SPSA as required by Education Code 64001(a) after review and recommendation for approval by the Local District Superintendents, the Federal and State Education Program (FSEP) staff, the Multilingual and Multicultural Education Department (MMED) staff, and other appropriate program staff.

1. Functions and Responsibilities of the SSC:

   a. Ensure that all federal parental involvement mandates are met, specifically:

      • the development and approval of the school-level Title I Parent Involvement Policy.

      • the development and approval of the Title I School-Parent Compact.

      • the development and approval of the Title I parental involvement budget.

   NOTE: The SSC may create an ad hoc committee for the purpose of developing the items listed above. The ad hoc committee will bring its findings and recommendations to the SSC, which has the final decision-making authority. The ad hoc committee will be dissolved once its tasks are completed.

   b. Develop, review and adopt the SPSA in consultation with relevant stakeholders and, where applicable, with the English Learner Advisory Committee (ELAC).

   c. Respond in writing to written recommendations from ELAC within 30 calendar days or at the next School Site Council meeting (see Attachment A).

   d. Review the school’s SPSA, data and proposed categorical budget
expenditures at every meeting.

e. Review and revise the SPSA annually to align all goals, strategies and
categorical funds to the identified instructional needs of students and to
the District’s priorities.

f. Develop the comprehensive school safety plan.

NOTE: The SSC may create a subcommittee for the purpose of
developing the comprehensive school safety plan. According to
California Education Code 32281(2), this school safety planning
subcommittee must be comprised of the following stakeholders at a
minimum: the principal or designee, a teacher, a parent whose child
attends the identified school, and a classified employee. The
subcommittee will bring its findings and recommendations to the SSC,
which has the final decision-making authority. The subcommittee will
be dissolved upon completion of its tasks.

g. Examine the following data prior to the annual revision of the SPSA and
all other decision-making:

- Student performance data, including but not limited to, Smarter
Balanced Assessment Consortium (SBAC) data, school-level
academic data, School Quality Improvement Index data, the
LAUSD School Report Card and the District Scorecard.

- Parental involvement data, including but not limited to the school’s
Title I parent involvement budget, School Experience Survey
results, evaluations from parent trainings, and participation rates at
parent/teacher conferences.

h. Convene at least six (6) times per year, and as necessary during budget
development, at a time that does not interfere with student instructional
time and is agreeable to members. These six meetings are in addition to
the mandatory orientation and election meeting. In consultation with
School Site Council officers, the school principal may call additional
meetings as needed.

i. Adhere to the California Open Meeting Law (Greene Act) as required
by California Education Code 35147, District policy, council bylaws
(see Attachment B1 and Section V), and selected Robert’s Rules of
Order (see Attachment M). The school principal must ensure that
amendments made to the SSC bylaws are not in conflict with District,
state or federal rules and regulations.
j. Maintain the following documents on file (electronic or paper copy) in a secure location on campus for five years and have available for review during District, state and federal compliance reviews: orientation and election meeting announcements, ballots, agendas, minutes, records of attendance for each stakeholder group and officer election. In addition, maintain the following: agendas, handouts, recommendations and actions from each meeting, official correspondences, bylaws, and all written documents with recommendations from the English Learner Advisory Committee. Once documents have been approved by the SSC, the documents become official and must not be altered.

2. Composition of the SSC:

Members of the SSC that are elected by the end of September of one school year continue to serve as members until new members are elected in fall of the subsequent year. SSC elections must occur at the start of the school year so that all parents and staff have an opportunity to participate. Elections taking place in the spring semester are not permitted and will be voided, unless required to fill vacancies for the current year.

On an annual basis, parent members may designate by vote whether to assign their parent member seats on the council to eligible community members (see Section II, Part D—Council/Committee Definition of Eligible Members). Once the number of community members to serve on the SSC is determined by vote, parents elect the community members to serve in their stead. Only parents may elect a community member to serve on the SSC.

a. Elementary Schools/Primary Centers: Elementary Model

- Councils will consist of no fewer than ten (10) members and be constituted to ensure parity. Half of the membership will be staff, including the principal, teachers and other school personnel (teachers must be the majority); and the other half will be parents or legal guardians (see Section II, Part A) and may be a community member, if the parents vote to assign their parent member seats to community members and subsequently elect the community members. This composition must be recorded in the bylaws.

- Councils that want to elect more than ten members to the SSC may choose from the configurations below (even numbers only). At the end of the year, members of the SSC may determine by vote which of the SSC composition configurations the council shall adopt, for
the following year, as listed below. This composition must be recorded in the bylaws.

b. Middle/High and Options Schools: Secondary Model

- Councils will consist of no fewer than twelve members. Half of the membership will be staff including the principal, teachers who must constitute the majority of the staff portion, and other school personnel; and the other half will be parents or legal guardians (see Section II, Part A) and/or community members elected by parents, and student members. There must be parity between parents and students on the parent/student portion of the council.

- Student members must be elected by the entire student body and may not be selected by school staff from any specific class, grade or pre-established group. All students under the age of 18 must have parent consent to participate on the SSC (see Attachment C).

- According to the California Education Code, section 33133(c), at middle schools, a SSC may, but is not required to, include student representation. At the high school level, a SSC must include student members.

- Secondary schools that elect more than twelve SSC members must choose from the configurations listed below. At the end of the school year, SSC members may determine, by vote, which of the SSC composition configurations the council shall adopt, for the following year. This composition must be recorded in the bylaws.

c. Other types of schools

- **Pilot Schools** with CDS codes must adhere to CA State statutes (Education Code 52852 and 64001). A pilot school must have a School Site Council and may elect a Governing School Council whose composition mirrors that of the School Site Council. While the purview of the Governing School Council may be broader than the SSC, it must, at minimum, advise on the SPSA, categorical budget and other matters.

- **Span Schools** will form a council based on the District’s classification of the school (elementary, middle, or high school). If the school has any high school students enrolled, it must form according to the secondary model with students.

- **Special Education Schools and Centers** will form a council based on the District’s classification of the school (elementary, middle, or high school). Any school with high school students must follow the same composition requirements of a secondary model with students.

- **Affiliated Charters** are required to form School Site Councils and will form councils based on the District’s classification of the schools (elementary, middle, or high school).

- **Magnet Schools** are required to form School Site Councils and will form councils based on the District’s classification of the schools (elementary, middle, or high school). Magnet programs sharing the CDS codes of their traditional campuses form councils with the supporting school.

3. Membership and Duties:

a. School Site Council members agree to all of the following:

- Attend all meetings.

- Participate in trainings to carry out their duties effectively.

- Follow the Operating Norms and Code of Conduct (see Attachment J).

- Vote in person. (Voting by proxy or absentee voting is not allowed.)

- Be present to nominate others, to be nominated for membership or
to be nominated for an officer position.

- Agree on the dates and times of meetings by vote at the first official business meeting. In consultation with School Site Council officers, the principal may call additional meetings as needed.

- Resign from their position at any time, but must do so in writing, and must submit the signed letter of resignation to the principal or designee (see Attachment D).

- Honor all decisions of the SSC.

b. Parents and legal guardians are elected by their peers and have full voting rights. Parents and legal guardians who are employed at the school attended by their child may not participate as parent members on the SSC but may participate as staff.

c. Students are elected by all of the students in a school and have full voting rights.

d. The principal of any site with a CDS code is the only automatic voting member and is responsible for the proper functioning of the SSC. Principals have the right to observe the counting of votes of any council election and must:

- Administer the school’s SPSA activities as approved by the SSC.

- Upload the required SSC documentation, including the SSC Certification Form, onto the Principal’s Portal at https://principalportal.lausd.net.

- Ensure proper elections of staff, students and parents.

- Ensure all SSC members receive appropriate training.

- Secure interpretation services and translation of written materials.

- Ensure the SSC adheres to the California Open Meeting Law (Greene Act), all relevant state and District policies, and approved bylaws.

- Accept all decisions of the SSC, as the principal has no veto power.

NOTE: It is strongly recommended that the principal not serve as the
Chairperson of the School Site Council.

Per California Education Code 52852.5, principals must inform all stakeholder groups of the function and purpose of the School Site Council.

e. Teachers are elected by their peers and are members with full voting rights (see Section II, Part B).

f. “Other school personnel” are elected by other school personnel. All “other school personnel” must vote at the same time for the candidates in this category. All staff in this category is invited to participate in one election meeting held at a time most convenient for the majority of the members in this group.

g. A community member may serve on the SSC only when elected by parents after parents vote to assign seats on the SSC to community members.

h. All members must participate in training regarding their roles and responsibilities, including training on the following:

- Single Plan for Student Achievement, including the SPSA Evaluation, School Title I Parent Involvement Policy, and the School-Parent Compact.

- Budget Development

- Analysis of student performance data, including, but not limited to the School Report Card and SQIS data.

i. The SSC shall conduct the election of its officers according to District election guidelines (Attachment E). An individual member is permitted to hold only one officer position on the SSC. An individual may serve only as SSC Chairperson at one school per school year. Any second designation is null and void.

B. English Learner Advisory Committee (ELAC)

In accordance with Education Code 52176(b), all schools with twenty-one or more English learner (EL) students, not including Reclassified Fluent English Proficient (RFEP) students, are required to establish an English Learner Advisory Committee (ELAC). All parents with students attending the school in which the ELAC is established are eligible and should be encouraged to
participate in the ELAC. The principal must ensure that ELAC members receive appropriate training.

1. Functions and responsibilities of the ELAC:

a. Provide written recommendations to the SSC regarding programs and services for EL students (see Attachment G). Recommendations should be based on student performance and parental involvement data, such as:

   - California English Language Development Test (CELDT) results, reclassification rates, Long Term English Learner (LTEL) data, SQIS data, Smarter Balanced Assessment Consortium (SBAC) assessments, the LAUSD School Report Card, and the Superintendent’s District Scorecard.

   - Parental involvement data regarding parent surveys, School Experience Survey results, and evaluations from parent education classes regarding programs and EL reclassification.

b. Advise on the development of the SPSA in relation to the English Learner Master Plan.

c. Assist in the development of the school’s language census, the assessment of achievement gaps of the EL student population, and the development and evaluation of the school’s program for EL students.

d. Advise on efforts to make parents aware of the importance of regular school attendance, and review the school’s student attendance data and the District’s student attendance policy.

e. Include on the agenda information related to the District’s Master Plan for English Learners.

f. Use the Comprehensive School Needs Assessment to identify and address the linguistic and academic needs of ELs and to develop training and support for parents.

g. Convene six (6) times per year at a time that is agreeable to members. These six (6) meetings do not include a mandatory orientation and election.

h. Adhere to the California Open Meeting Law (Greene Act) as required by California Education Code, section 35147, provided bylaws (see
Attachment B2 and Section V) and selected Robert’s Rules of Order (see Attachment M).

i. Maintain the following documents on file (electronic or hard copy) in a secure location for five years and be available for review during District, state and federal compliance reviews: orientation and election meeting announcements, ballots, minutes, agendas, records of attendance for all stakeholder elections; agendas, handouts, ELAC recommendations to the SSC and actions from each meeting; official correspondences; and bylaws.

2. Composition of the ELAC:

a. The minimum number of ELAC members will depend on the number of English learner students in a school. The required number of ELAC members will be as follows:

<table>
<thead>
<tr>
<th>Number of English Learners in a School</th>
<th>Minimum Number of ELAC Members Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>21 to 75 ELs</td>
<td>A minimum of 3 total members required</td>

<tr>
<td>76 to 150 ELs</td>
<td>A minimum of 5 total members required</td>
</tr>
<tr>
<td>151 to 225 ELs</td>

</tbody>
</table>

b. Parents and legal guardians of EL students, not employed by the District, must constitute at least 51% of the total membership on the ELAC.

c. When the percentage of EL students in a school constitutes more than 51% of the total number of pupils, parents and legal guardians of EL students shall constitute membership on the ELAC in at least the same percentage as English learner students in the school.

d. Parents may continue to participate on the ELAC as part of the English learner parent membership portion of the committee for up to two years after their children have been reclassified to Reclassified Fluent English Proficient (RFEP).

e. Other members may be from any of the following groups:

- Parents of non-EL students
- Certificated and classified employees
• Secondary students

• Community members (see Section II, Part D)

• Community-based organizations that actively support the school

• PTA/PTSA/Booster Club members

f. The ELAC shall conduct elections of its officers according to election guidelines provided by the Parent, Community and Student Services (see Election Guidelines—Attachment E). All ELAC officers must be parents of EL students or of RFEP students who have reclassified within the last two years, who are not employed by LAUSD. A member shall hold only one officer position at a time. An individual may only serve as ELAC Chairperson at one school per school year. Any second designation is null and void.

• The ELAC Chairperson will automatically serve as the school’s representative to the Local District ELAC Delegate Convening held in each region. No alternate officers, including the Vice Chairperson, will be allowed to participate in the Delegate Convening.

• Where an ELAC has delegated its authority to SSC (see below), the SSC must elect an EL parent member from the SSC to participate in the Local District ELAC Delegate Convening.

3. Delegation of authority by the ELAC:

a. The ELAC may designate the SSC, established pursuant to Education Code Section 52852, to function as the advisory committee for English learners (Education Code 52176) when the following occurs:

• The percentage of EL students in the school does not exceed 50% in elementary schools and 25% in secondary schools.

• The School Site Council has a pre-existing EL subcommittee comprised of SSC members that meets the same composition requirements listed below.

• The percentage of EL parents participating in the parent portion of the SSC reflects at least the same percentage as EL students enrolled in the school (see example below).
b. The ELAC may delegate authority to an established SSC (Education Code 52870) provided that the ELAC has first been duly constituted with identifiable members, duly informed of the option, and has decided, by a unanimous vote, to waive its rights and to delegate its authority to the SSC.

c. Such a delegation cannot exceed two years.

d. In order to delegate the authority of the ELAC to the SSC, the ELAC must first:

- Inform all members during a regular (non-election) meeting of the ELAC’s responsibilities prior to a vote to delegate authority.

- Discuss and vote, during a subsequent meeting at which quorum has been established, to delegate the ELAC responsibilities to the SSC. A unanimous vote of the full membership present is required to approve the delegation of authority to the SSC. This decision must be recorded in the ELAC minutes.

e. In order to complete the delegation of authority process, SSC members must:

- Accept the responsibilities of the ELAC by unanimous vote, with quorum, of the members present and record the decision to do so in the meeting minutes. The meeting agendas, handouts, minutes, numbered ballots, and records of attendance must be maintained in a secure location for five years.

- Submit a Delegation of Authority Form (see Attachment F) signed by the SSC Chairperson and principal to the Local District Administrator of Parent and Community Engagement for final approval and confirmation.

- Participate in training to address all ELAC responsibilities.

- Have a pre-existing EL subcommittee comprised of SSC members. When the SSC has a pre-existing EL subcommittee (meaning an
EL subcommittee is in existence prior to a delegation of authority), the SSC may accept the ELAC’s delegation of authority and assign the subcommittee the assumed ELAC responsibilities. It may not create a subcommittee after the delegation of authority has occurred.

- If the EL subcommittee assumes this responsibility, it must provide written advice/recommendations on programs and services for English learners to the SSC (see Attachment G).

SECTION II: COUNCIL/COMMITTEE DEFINITION OF ELIGIBLE MEMBERS

A. Parent Members

1. A parent is an individual who is the mother, father or legal guardian of the child attending the particular school. If not listed in paper or electronic school records, the custodial parent or legal guardian must provide a court document identifying legal guardianship. Certified letters or affidavits may not be used in place of a court document. The principal must verify evidence of legal guardianship in order for such persons to be eligible for a parent position (see Attachment H).

B. Teachers

1. A teacher is defined as an employee of the school whose duties require him/her to provide direct instruction to the pupils for the full-time during which he/she is employed (UTLA Bargaining Agreement, Article IX). C. Other School Personnel

1. “Other school personnel” include all District employees who do not provide direct instruction to pupils for the full time during which they are employed. Administrators at schools/learning communities without a CDS code may serve in this category. Principals of schools with CDS codes are not considered “other school personnel” for SSC or ELAC purposes.

2. A non-classroom teacher is defined as a full-time employee whose classroom teaching assignment is fewer than three periods per day in a secondary setting or less than half-time in an elementary setting (UTLA
3. District-paid Community Representatives are LAUSD employees and are only eligible to be elected to the SSC or ELAC in the role of a staff person at the schools at which they are employed.

     iii. utility payment receipts for business
E. Principal (SSC only)

1. The school principal is the only automatic member on the SSC.

F. Secondary Student Members

1. A student is an individual who is verifiably enrolled at the LAUSD school in which an ELAC or SSC is established. Students under 18 must have parent consent to participate (see Attachment C).

SECTION III: OPERATING GUIDELINES FOR ALL COUNCILS AND ADVISORY COMMITTEES

A. Meeting Procedures

The ELAC and SSC operate under the California Open Meeting Law provisions of the Greene Act.

B. Meeting Schedule

The ELAC and SSC will meet for up to one hour but may extend the meeting, as needed, if members vote to choose an extension. Meetings may not be extended beyond a total of one (1) additional hour.

SECTION IV: BYLAWS AND PARLIAMENTARY PROCEDURES

To ensure compliance with all rules and regulations governing public meetings, standard bylaws are provided and must be used by the SSC and ELAC (see Attachments B1 and B2). A school principal may request, in writing, permission on behalf of an SSC or ELAC to develop modified bylaws or additions to the provided bylaws. Such permission is granted by the Local District Parent and Community Engagement Administrator who must approve the proposed modifications or additions to the provided bylaws. Bylaws may never conflict with District, state, or federal rules and regulations.

SECTION V: PUBLIC MEETINGS, RECORDING AND NOTICE PROCEDURES

A. Public Meetings

1. All ELAC and SSC meetings are open to the public. During the public comment section on the agenda, any member of the public may address the body on any item within the jurisdiction of the council or committee in accordance with California Open Meeting Law provision of the Greene
2. All ELAC and SSC bylaws must include a standing rule regarding public comment procedures, including the number of speakers and the length and frequency of public comment. Public speakers may be limited to speak for 1 to 3 minutes. It is advised to inform the public of such a rule at the start of every meeting. Such rule should be applied evenly to all speakers. A timer or clock should be displayed to monitor the length of time allotted to each public speaker.

B. Recording

Any individual is allowed to audio and video record any proceeding at a public meeting as long as it does not interrupt the meeting. Any person who does not want to be recorded has the option to leave the meeting. Schools must post a notice at each meeting informing all present of the possibility that the meeting will be recorded (see Attachment N).

C. Agenda of Meetings and Elections

1. An agenda with date, time and location of a meeting must be publicly and continuously posted outside of the school building in a plainly visible location, and at the meeting location, if different than the school site, at least seventy-two hours before the scheduled meeting. Schools may post the agenda on the website and marquee when available.

2. The agenda must specify the date, time, and location of the meeting, the items to be addressed, and whether the items will require action to be taken (see Section VI, Agenda Procedures).

3. Orientation and election agendas must be posted at least seventy-two hours prior to the scheduled orientation and election of members and officers. Orientations and elections may be held on the same day, but a short break must be placed on the agenda between the two sessions.

SECTION VI: AGENDA PROCEDURES

A council or committee, generally, may only act on or consider an item when it has been properly included on the agenda at the time of posting. If action is taken on an item that was not listed as an action item on the agenda, the action taken is invalidated. Only under certain unusual circumstances and by a unanimous vote may the council or committee allow an item not on the agenda to be considered and/or acted upon. When considering whether or not to allow a non-agenda item, the council or committee must determine if the item presents an urgent need for
action, and the item/issue was unknown at the time the agenda was posted. In all cases, agenda items must have relevance to the purpose and goals of the council or committee.

Each agenda (see Attachment I) shall contain an opportunity for the public to comment on any item within the subject matter of the council or committee, whether agendized or non-agendized, during public comment.

All documents should be provided in a language the parents can understand, as feasible. However, if 15% or more of the pupils in a school speak a single primary language other than English, all notices, reports, statements, or records sent to the parent or guardian, in addition to being written in English, must be written in the primary language (California Education Code, Section 48985).

SECTION VII: OPERATING NORMS AND CODE OF CONDUCT AND ADMINISTRATIVE RESPONSIBILITY

The Operating Norms and Code of Conduct (Attachment J) promote a democratic environment where respect for each member’s point of view, including agreement and disagreement on an issue, is expressed in a productive manner to promote the goals of the council or committee.

A. It is the responsibility of the designated administrator and the Chairperson, when applicable, to ensure the SSC or ELAC operates under the Operating Norms and Code of Conduct in meetings and affiliated activities, regardless of location and whether a member has signed the form.

B. Any member who violates the Operating Norms and Code of Conduct may be immediately suspended by administrative staff. The suspension will be reviewed by the Local District Administrator of Parent and Community Engagement and may be appealed to the Chief Executive Officer of the Parent, Community and Student Services, whose decision will be final.

SECTION VIII: TERMINATION OF MEMBERSHIP

A. A member will be terminated from the SSC or ELAC when his/her child no longer attends the school.

B. A member may be terminated from the SSC or ELAC by the Local District Administrator of Parent and Community Engagement and/or the Chief Executive Officer of Parent, Community and Student Services when the member does not adhere to any one of the following:

1. The District’s Operating Norms and Code of Conduct for council and
committee members (see section above).

2. District policies regarding the purpose and operation of all school councils or committees.

3. Requirements for attendance stipulated in the bylaws.

C. Upon termination for reasons listed under Section B above, the member is not eligible for re-election to the SSC or ELAC for a period of one year, not including the year of termination.

ENGLISH LEARNER ADVISORY COMMITTEE BYLAWS

These bylaws are provided by the Parent, Community and Student Services (PCSS) for use by the English Learner Advisory Committee (ELAC). A school principal, on behalf of the ELAC, may request, in writing, permission to modify/amend bylaws. Permission to do so is granted by the Local District Administrator of Parent and Community Engagement who also approves the proposed modifications/amendments (see Section IV). Bylaws may never conflict with District, state, or federal rules and regulations.

California Education Code 52176 requires each school with twenty-one or more English learner (EL) students, including Special Education and Affiliated Charter schools, to establish an English Learner Advisory Committee. The ELAC advises the School Site Council (SSC) on programs and services to EL students and on strategies to engage parents in support of their child’s education. The ELAC is an advisory committee, does not have decision-making authority, may not enter into any contract, may not spend public funds, nor represent the LAUSD without proper authority. The school principal is responsible for ensuring that the ELAC is properly convened and that the committee functions and operates in accordance with these bylaws.

ARTICLE I: DUTIES AND FUNCTIONS

Per Education Code 52176, the (name of school) ELAC shall carry out the following duties:

Student performance data includes, but is not limited to, the California English Learner Development Test (CELDT) results, Smarter Balanced Assessment Consortium (SBAC) data, academic assessment data, the School Report Card, and the Superintendent’s District Scorecard. Parental involvement data includes, but is not limited to, parent surveys, School Experience Survey results, and evaluations from parent education classes regarding program placement and EL reclassification.
- Advise on the development of the SPSA, especially those sections related to English learners.
- Assist in the review of the school’s language census, the assessment of achievement gaps of the EL student population and the development and evaluation of the school’s program for EL students.
- Advise on efforts to make parents aware of the importance of regular school attendance, and review the school’s student attendance data and the District’s student attendance policy.
- Review information related to all aspects of the District’s Master Plan for English Learners.
- Use the Comprehensive School Needs Assessment to identify and address the linguistic and academic needs of ELs and to develop training and support for parents.

GENERAL PRINCIPLES OF PARLIAMENTARY PROCEDURE: SELECTED ROBERT'S RULES OF ORDER

History

The most commonly used parliamentary procedures are Robert's Rules of Order. These Rules were written by General Henry M. Robert, a U.S. Army engineer, and published in 1876. His work is still regarded as the basic authority on the subject of parliamentary law. The most recent edition of the work, Robert's Rules of Order Newly Revised 10th edition, October 2000, is the accepted authority for almost all organizations today.

Basic Rules

- All members have equal rights, privileges, and obligations.
- The minority has rights which must be protected.
- Full and free discussion of all motions, reports, and other items of business is a right of all members.
- In doing business, the simplest and most direct procedure should be used.
- Logical precedence governs the introduction and disposition of motions.
- Only one question can be considered at a time.
- Members may not make a motion or speak in debate until they have risen, been recognized by the Chairperson, and subsequently obtained the floor.
- A member may speak a second time on the same question if all other members have been given an opportunity to speak at least once on the same question.
- Members must not attack or question the motives of other members. Customarily, all remarks are addressed to the presiding officer.
- In voting, members have the right to know at all times what motion is before the assembly and what affirmative and negative votes mean.

Terms and Process for Transacting Business

Quorum

A quorum, 51% of the entire membership, is the minimum number of members who must be present at a meeting for business to be legally transacted.

Obtaining the Floor

Before a member in an assembly can make a motion or speak in debate, he or she must obtain the floor; that is, the member must be recognized by the Chairperson as having the exclusive right to be heard at that time. If two or more members rise to seek recognition at the same time, the member who rose and addressed the Chairperson first after the floor was yielded is entitled to be recognized.
Introducing Business (Making Motions)
Business may be introduced by an individual member in the form of a motion.

Seconding a Motion
After a motion has been made by one member, another member, without rising and obtaining the floor, may second the motion. To second the motion merely implies that the seconder agrees that the motion should come before the assembly and not that he or she necessarily favors the motion.

Placing a Motion Before the Assembly
After a motion has been made and seconded, the Chairperson repeats the motion verbatim, thus placing it before the assembly for debate and then for action. After the motion has been restated by the Chairperson, it is officially before the assembly and must be dealt with appropriately (e.g., adopted, rejected, postponed).

Debate
Every member of the assembly has the right to speak on every debatable motion before it is finally acted upon. This right cannot be interfered with except by a motion to limit debate. While debate is in progress, amendments or other secondary motions can be introduced and disposed of accordingly. No member may speak twice on the same motion at the same meeting as long as any other member who has not spoken on the motion desires to do so. Unless the rules are suspended, a member who has spoken twice on a particular question on the same day has exhausted his or her right to debate that question for that day. During debate, no member can attack or question the motives of another member. The maker of a motion, although allowed to vote against it, is not allowed to speak against it.

Amendments
Once a motion has been restated by the Chairperson, the maker has the right to modify his or her motion or to withdraw it entirely after it has been restated by the Chairperson; however, this modification may be made only by means of an amendment.

There are four ways to amend a motion, as follows:
1. Add words, phrases, or sentences
2. Strike words, phrases, or sentences
3. Strike and add words, phrases, or sentences
4. Substitute whole paragraphs or an entire text

Only two amendments (primary and secondary) may be pending on a main motion at any time. Discussion of an amendment must relate only to the amendment, unless the whole motion is involved by substitution. An amendment must be relevant to the question under consideration.
Voting
The Parliamentarian can vote on the School Site Council and on the English Learner Advisory Committee, since both school groups have a small number of members. The presiding officer of the assembly can vote as any other member does. The presiding officer can, but is not obliged to, vote after all other members have voted, especially whenever his or her vote will affect the result since he or she can either break or create a tie. Any member may request a roll call vote to ensure clarity of the vote. The majority of votes decide a matter. A majority is more than half of the votes cast by persons legally entitled to vote, excluding blank ballots/abstentions.

Announcing a Vote
In announcing the vote on a motion, the Chairperson should:
- report on the voting itself, stating which side has prevailed.
- declare that the motion is adopted or lost.
- state the effect of the vote or order its execution.

Adjournment
A motion to adjourn may be made by any member. It may be made during the consideration of other business, although it may not interrupt a speaker or the assembly when engaged in voting or verifying a vote. When it appears that there is no further business to be brought before the assembly, the Chairperson, instead of waiting for a motion, may simply adjourn the meeting.

Summary of Steps to Handle a Motion
1. A member rises and addresses the presiding officer.
2. The presiding officer recognizes the member.
3. The member states the motion.
4. Another member seconds the motion.
5. The presiding officer restates the motion, thus placing it before the assembly for consideration.
6. The assembly may discuss the motion if it is debatable and amend the motion if it is amendable.
7. The presiding officer takes the vote.
8. The presiding officer announces the result.

Basic Parliamentary Terms
- **Addressing the Chairperson**: Getting the Chairperson's attention by saying, "Madam Chairwoman," or "Mr. Chairman."
- **Agenda**: Order of business; program of a business meeting.
- **Ad Hoc Committee**: Committee established for a specific purpose for a particular case.
• **Ballots:** Slips of paper for voting.

• **Carried:** Passed or adopted; used in referring to affirmative action on a motion.

• **Recognize:** To allow someone to obtain the floor in order to speak.

• **Roll Call Vote:** A procedure by which the vote of each member is formally recorded in the minutes. Second: To indicate support for consideration of a motion by saying, "I second the motion."

• **Unanimous (or General) Consent:** A means of taking action on a motion without a formal vote. When a presiding officer perceives that there is little or no opposition to a motion before the assembly, business can often be expedited by the Chairperson's simply calling for objections, if any. If no objection is heard, the motion is adopted; if even one member objects, the motion is brought to a formal vote by the usual procedure.

• **Voice Vote:** A vote taken by having members call out "aye" or "no" at the Chairperson's direction.
