REGIONAL AMBASSADOR

Los Angeles Unified School District has begun the three engagement pathways this 2023 Fall semester. These sessions are hosted at every regional office, and they are designed specifically for families to serve as ambassadors for their students and school communities. The pathways focus on Students with Special Needs, English Learners (Emerging Bilinguals), and the Local Control and Accountability Plan (LCAP). Each region meeting will be hybrid; in-person and online. These efforts and support are a form of regional engagement proposed and requested

by parent leaders and District level committee members. If you would like to join this force, visit the webpage at <https://www.lausd.org/ambassadors> or visit the [Division of Special Education](#) to access the same information.
