

IEP TEAM MEETING UPDATE

Down Syndrome Awareness Day Commemorated throughout The Los Angeles Unified School District

The resolution recognizes March 21st as the Down Syndrome Awareness Day. The resolution encourages the Los Angeles Unified to support communities to “destigmatize the current social views of Down Syndrome” and it is a commitment to “acknowledge students with Down Syndrome and their contributions.” The resolution will help to “End the Stereotypes” and focuses on the idea that each person with Down Syndrome is different and has an individual identity, interests, likes and dislikes, gifts, and talents, just like everyone else. Information for how to highlight World Down Syndrome Day and how we can help to end the stereotypes can be found at <https://www.worlddownsyndromeday.org/end-the-stereotypes>. More information about the resolution can be found in the [newsroom](#).

Comprehensive Coordinated Early Intervening Services (CCEIS) – Family Leaders Group (CFL) Meetings

The Comprehensive Coordinated Early Intervening Services works together with a group of schools to address and reduce the disproportionate representation and identification of students in special education, who are placed in a more restrictive educational setting, and where disciplined rates tend to be higher than their peers. The CFL meetings are for parents and caregivers of Promising Scholars of the CCEIS school sites. They meet every third Thursday of the month. These monthly meetings provide a safe space where discussion and exploration of potential solutions to the disproportionate representation of CCEIS Promising Scholars with an intentional emphasis on African American/Black students can exist. If you would like to learn more about the CCEIS CFLs meetings and if your child’s school of attendance is a CCEIS school, Fill out the interest form <https://bit.ly/CCEISFamilyLeaderGroup> or click on the [flyer](#) for more information.
