FACT OR FICTION? SPOTTING MISINFORMATION AND DISINFORMATION ON SOCIAL MEDIA AND BEYOND

In today's digital world, it's crucial for parents to guide their children through the maze of information on social media. This workshop will explore how our information consumption has evolved and the role of social media algorithms in shaping what we see. We'll tackle the challenges of misinformation and disinformation, offering practical tips for helping your child navigate these issues. Learn how to foster critical thinking, enhance your family's information diet, and identify trustworthy sources. Equip yourself with the tools to support your child in making informed and responsible digital choices.
