

BUILDING EDUCATOR ASSESSMENT LITERACY

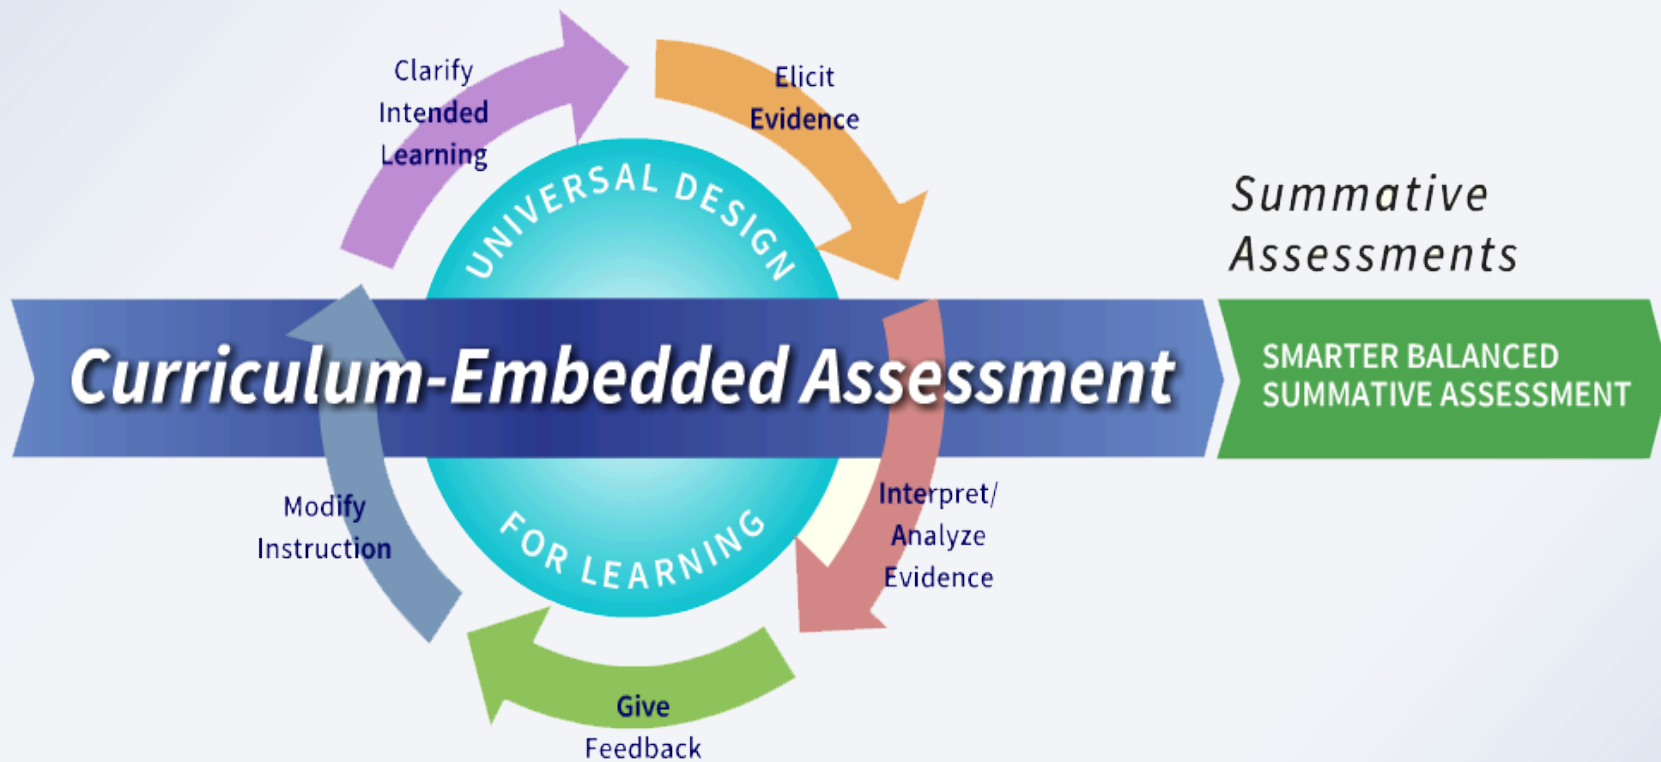

Derrick Chau, Ph.D., Director of Secondary Instruction

Division of Instruction
Mathematics and English Language Arts (Elementary and
Secondary)

Smarter Balanced Assessment System

The Smarter Balanced Assessment System

TO BEAL OR NOT TO BEAL...

BEAL develops assessment literacy in...

- SBAC Assessment Performance Tasks (Interim and Summative)
- California Content Standards and SBAC Claims and Targets
- Recognizing and understanding instructional implications

BEAL is not a(n)...

- SBAC Assessment Overview
 - Does not address computer adaptive/selected response sections
 - Does not address the computer platform
- Scoring calibration session
- Guide for test preparation

BEAL TRAINING COMPONENTS

- Examine the performance task classroom activity
- Analyze the skills and content demands on students
- Introduce Universal Design for Learning (UDL) and curriculum-based assessment
- Review SBAC Claims and Targets, ELA Instructional Shifts, and Math Practices
- Examine performance task rubrics
- Score and analyze authentic student work
- Discuss instructional implications for curriculum-embedded performance tasks

LAUSD BEAL TRAINING OF TRAINERS

Elementary and secondary instructional coordinators (DOI and LD), selected out-of-classroom ELA and math personnel from all Local Districts trained by SCALE and WestEd facilitators

- Elementary ELA: 29
- Secondary ELA: 29
- Elementary Math: 35
- Secondary Math: 27

BEAL MATERIALS

Over **1000 ELA and 1000 math BEAL books** have been ordered and delivered.

- Supplied by LACOE at no cost to LAUSD
- Can only be ordered for training purposes
- LACOE requires name and email address of each participant that received a BEAL book and training

**Building Educator
Assessment Literacy**
A Partnership of WestEd and SCALE

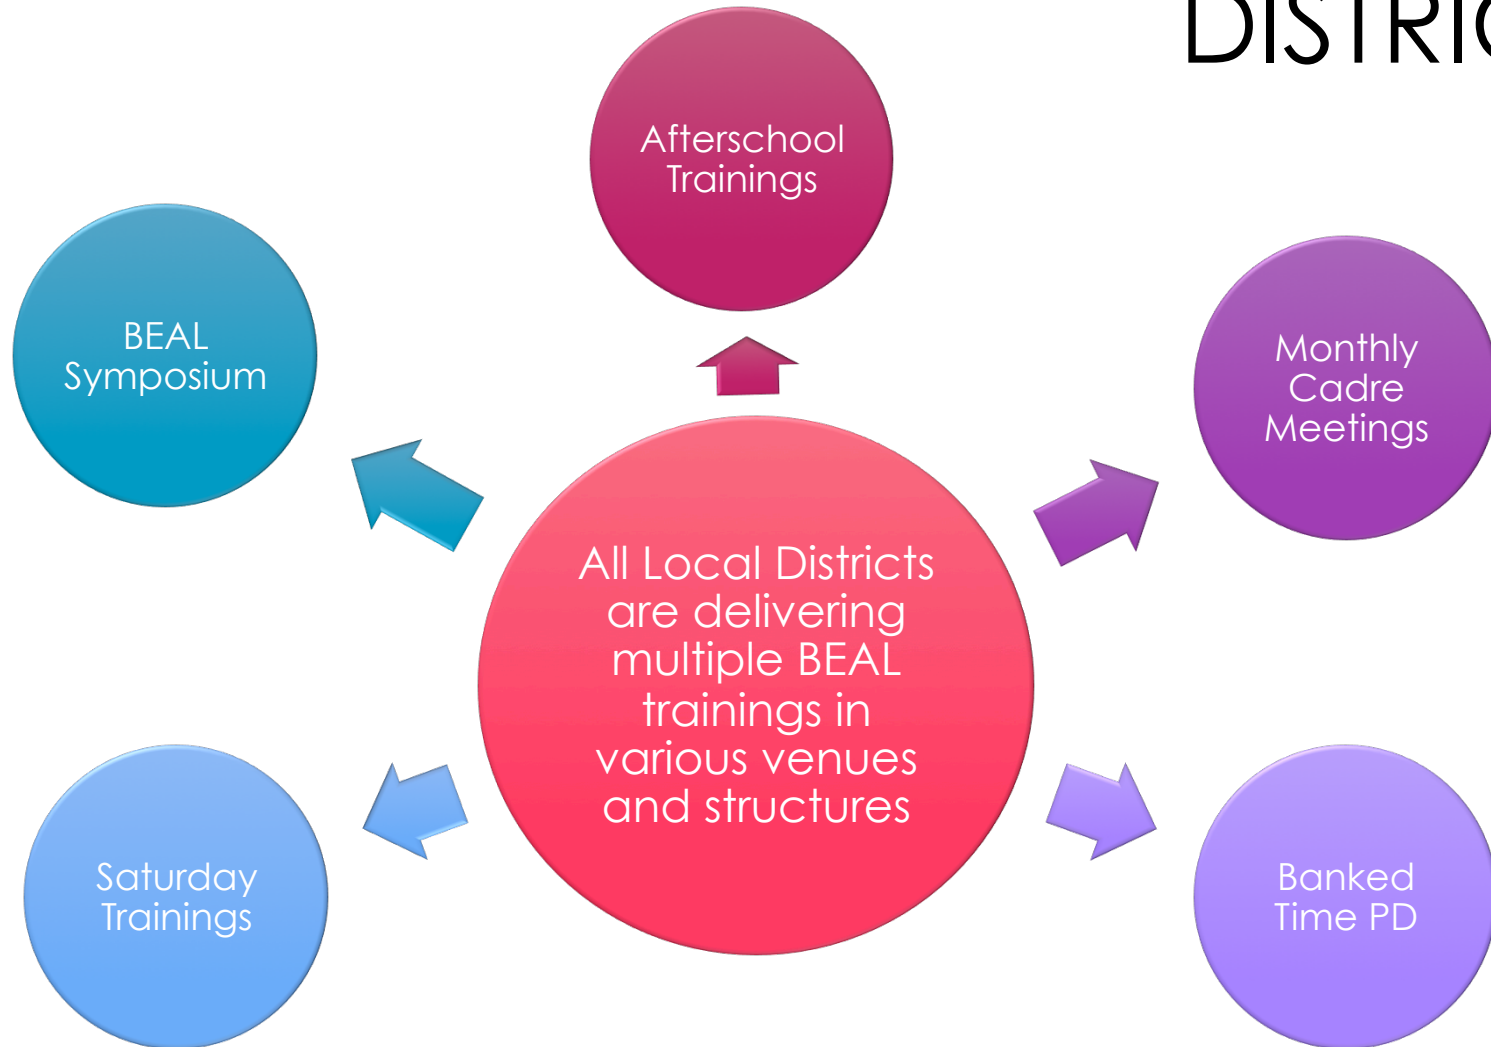

ELA/Literacy

BEAL TRAININGS: DIVISION OF INSTRUCTION

- **BEAL Winter Institute: Secondary ELA and Math**
 - Two 2-day sessions: Jan. 4 – 7, 2016
