

## Freshmen Bridge Program

Thanks to the Center for Powerful Public Schools for creating the Prep for Success Summer Bridge Program

### **Objectives:**

- Welcome 9th graders to the school, the culture of the school and the community so they will thrive in high school
- Introduce them to Linked Learning: Project-Based Learning, Presentation Skills, Industry Professionals, Team Building, College and Career Skill Building, 5 Elective Credits, Leadership Skills for 12th graders

# Pathway Specific and Outcome-Based Learning

Students understand:

- What they are learning?
- Why they are learning it?
- How what they are learning relates to their career pathway?
- How what they are learning relates to them?

Summer Bridge at Bravo Medical Magnet, Huntington Park Institute for Applied Medicine and Sylmar Biotech Health Academy:

### **Essential Questions:**

- 1. What are the major stress issues for young people in our community?
- 2. How does stress affect us?
- 3. What community resources are available to assist us in addressing
