Using the California School Dashboard to Advocate for All Students

**Utilizar el Tablero Escolar de California
para Abogar por Todos los Estudiantes**

California School Dashboard

Tablero Escolar de California

The California School Dashboard provides parents and educators with meaningful information on school and District progress so they can participate in decisions to improve student learning.

El Tablero Escolar de California proporciona a los padres y educadores información significativa sobre el progreso de la escuela y distrito para que puedan participar en las decisiones para mejorar el aprendizaje de los estudiantes.

Dashboard Report

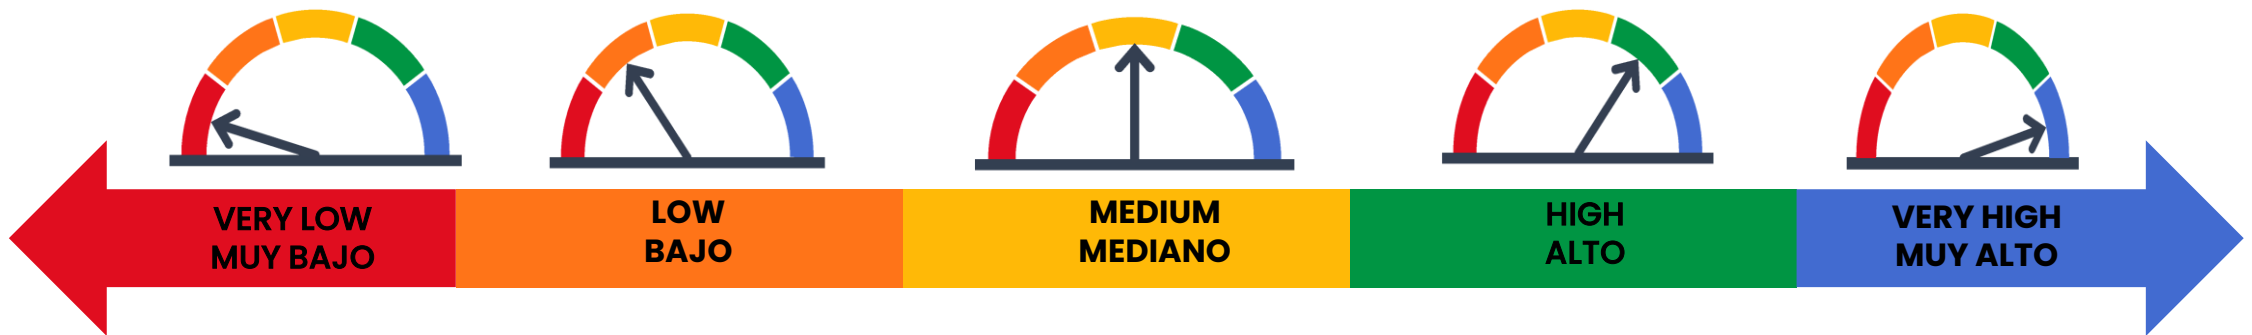

Informes del Tablero

The Dashboard reports multiple indicators as a color that is based on two years of data that represents the following: How well did the school do last year *and* how much better/worse was that compared to the prior year?

Se registra cada indicador como un color que se basa en dos años de datos que representan: ¿Qué tan bien se desempeñó la escuela el año pasado y fue mejor/peor en comparación al año pasado?

Performance Level = Color

Nivel de Desempeño = Color

School Identifications

Identificación de Escuelas

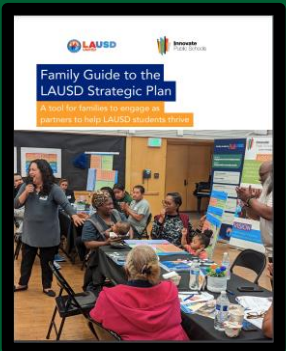

Based on the results of the California School Dashboard, the California Department of Education (CDE) will identify schools for improvement:

- **Comprehensive Support and Improvement (CSI)** – for low graduation *or* low performance overall
- **Additional Targeted Support and Improvement (ATSI)** – for low-performing student group(s)

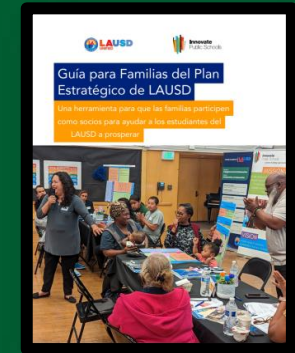

Basado en los resultados en el Tablero de datos escolares de California, la Secretaría de Educación del Estado de California (CDE) identificará a las escuelas para mejora:

- **Apoyo Integral y Mejora (CSI)** – por tasa baja de graduación *o* bajo desempeño en general
- **Apoyo Especifico y Mejoramiento Adicional (ATSI)** – por grupo/s estudiantil/es con bajo desempeño

LAUSD's Open Data

Exploring School-Level Data

Datos Públicos de LAUSD

Explorar los Datos a Nivel Escolar

What Data is Available in Open Data?

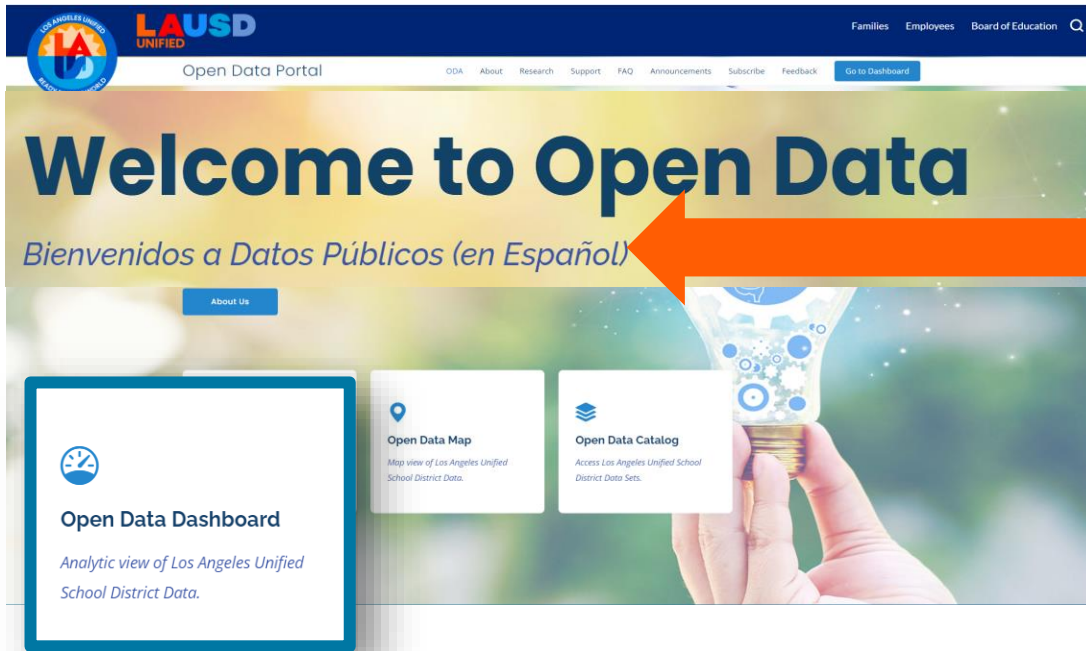

¿Qué tipos de datos están disponibles en los datos públicos?

- Open Data is home to over 100 indicators, including graduation rates, Smarter Balanced Assessment results, enrollments, and budget data.
- School-level results are available for most data, including the LCAP scorecard, the Black Student Achievement Plan, and the California School Dashboard.
- People can search for schools in their neighborhood using a map feature.
- Most data are refreshed annually, except for **budget data, which are refreshed monthly.**

- Los datos públicos almacenan más de 100 indicadores, incluyendo tasas de graduación, resultados de las evaluaciones Smarter Balanced, inscripciones y datos sobre el presupuesto.
- Los resultados a nivel escolar están disponibles para la mayoría de los datos, incluyendo la Tarjeta de Puntajes de LCAP, el Plan para el Rendimiento de los Estudiantes Negros y el Tablero de datos escolares del Estado de California.
- Las personas pueden buscar las escuelas en sus vecindarios, utilizando la característica de un mapa.
- La mayoría de los datos son actualizados anualmente **excepto por los datos de presupuesto, los cuales son actualizados mensualmente.**

The largest elementary school in the Partnership for Los Angeles Schools, 107th Street & STEAM Magnet, strives to provide a "state of the art & state of the heart" world-class education for our scholars. We believe that building strong relationships with students and families is the foundation to providing a restorative learning community. Our partnership with the California Science Center has been instrumental in cultivating our integrated approach to teaching science and literacy. Hands-on science instruction, field trips, blended learning opportunities, meditation, P.E. and arts instruction support our belief in teaching the whole child. Our goal is to ensure that all scholars culminate from 107th Street college & career ready.
