

FamilySource Partnership Program Centers 2024-25

Pupil Services and Attendance (PSA) Counselors are co-located at 19 FamilySource Centers (FSC) throughout the City of Los Angeles that primarily serve families with children ages 5-17. The FamilySource Partnership Program focuses on engaging parents and students with resources to decreasing barriers to academic achievement. PSA Counselors conduct biopsychosocial/educational assessments and serve students and families through outreach, advocacy and connecting families to programs and services. The FamilySource Partnership Program aims to increase attendance, improve academic achievement, and support the goal of graduation for all students.

Although counselors are assigned by region and support those schools in the vicinity, families can be referred to any location. Referrals should be made directly to the PSA counselor assigned to each respective FamilySource center.
