

UnConference:

Mastery Learning and Grading

Are you interested in working with other LAUSD teachers and administrators to create Mastery Learning and Grading aligned assessments, rubrics, syllabi, gradebooks, school handbooks, and other materials?

Using an unConference model, in which participants are not constrained by a rigid schedule of workshops and topics, this event will provide an opportunity for educators to share information and ideas and to create resources that can be used in their schools and classrooms to support learning and growth in all students.

Monday, June 17 and Tuesday, June 18, 2019

8:00 am- 1:00 pm

@ two TBD locations

This opportunity is for educators who **have already completed the Mastery Learning and Grading workshop series, have earned their Mastery Learning and Grading certification,** and are interested in working with their colleagues. Participants will be paid at their hourly rate for participation and creation of Mastery Learning & Grading materials. Location information will be provided in email invite. Additional information about parking will be shared after enrollment.
