## Align Instructional and Grading Practices to Promote Student Learning

### MLG School-Site PD Series for (PK-12+, all content areas) certificated educators

Local District MLG coaches are available to facilitate the professional development series at your school for groups of twelve or more interested participants (applicable PK-12+, all content areas). The PD series entails six two-hour, in-person workshops scheduled approximately three weeks apart to allow participants time to reflect and engage in the eight hours of independent online learning. Upon completion of all in-person workshops and online learning, participants will earn MLG certification and be paid training rate for all hours completed beyond contracted work day.
