

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

TITLE: Final Student Body Budgets for 2022-2023

NUMBER: REF-1316.18

ISSUER: David D. Hart, Chief Financial Officer
Office of the Chief Financial Officer

Joy Mayor, Controller
Accounting and Disbursements Division

DATE: September 26, 2022

DUE DATE: October 7, 2022

PURPOSE: The purpose of this reference guide is to provide schools with information pertaining to the timing and preparation of the Student Body Final Budget for the 2022-23 school year.

In the Spring, each school prepares a preliminary Student Body budget for the following school year. This preliminary budget must then be ratified or amended in the fall. The purpose of this Reference Guide is to provide schools with copies of forms for the Final Student Body Budget for 2022-2023 and to provide related information on their completion.

MAJOR CHANGES: There are no major changes to procedures. The Student Body forms and the due date have been updated to reflect the current fiscal year.

INSTRUCTIONS: The attached Final Student Body Budget forms for 2022-23 should be used to indicate any changes made to the Preliminary Student Body Budget submitted in March 2022. If no changes are made, the “No Changes from Preliminary Budget” box should be checked. If changes will be made, check the “Revisions Made to Preliminary Budget” box and follow the procedures used for preparing the Preliminary Budget found in REF- 1656.17, “Preliminary Student Body Budgets for 2022-23”, dated March 18, 2022. In either case, the proper signatures as indicated on the budget forms should be obtained for secondary schools. A copy of the scanned final budget in electronic version (Excel format) must be emailed to the Coordinating Financial Manager on or before October 7, 2022.

In preparing the final budget for 2022-23, please consider the financial revenue and expenditure pattern of the past few years including the first quarter of this school year and any additional specific planned events. The budgets should be realistic and should attempt to reflect the conditions under which student body activities will be undertaken in the current school year.

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

Administrators are reminded of the following:

1. Publication 465, “Student Body Policies and Accounting Procedures – Secondary Schools”, requires that the budgets should be approved by, among others, the Student Body Finance Committee and/or the Student Body Council.
2. The items that can be purchased with Student Body funds are discussed in Publication 465 and BUL-4591.0, “Secondary Student Body Organizations – Permitted and Prohibited Expenditures”. Three signatures are required for all Student Body expenditures.
3. The budget for athletics should include the total revenue, total expense, and income or loss for each sport to allow flexibility within each department. The cost of officials and doctors should be included in EACH SPORT INVOLVED.
4. Drill Team expenses are to be considered as part of “Expenses-Student Activities”; these should NOT be included in athletics.
5. If the Budget shows a Loss, and if the school does not have a general ASB surplus, an explanation and plan of action must be provided.
