

This job aid will guide you with steps on how to designate a substitute to review and approve system worklist items on your behalf. Worklist tasks may include approval tasks for Shopping Carts, Travel Expense Reports and Purchase Orders. As a task owner, you can assign multiple substitutes if desired and designate different individuals to act on your behalf for different worklist tasks.

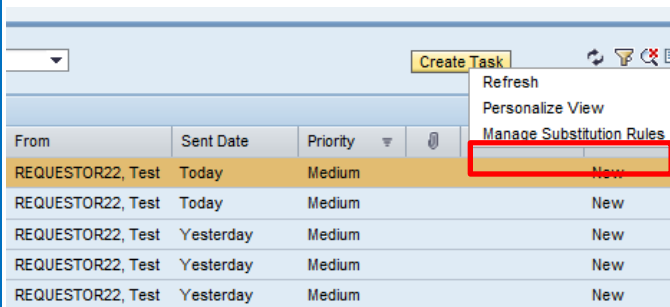

1. From the System Home Tab, click on Universal Worklist

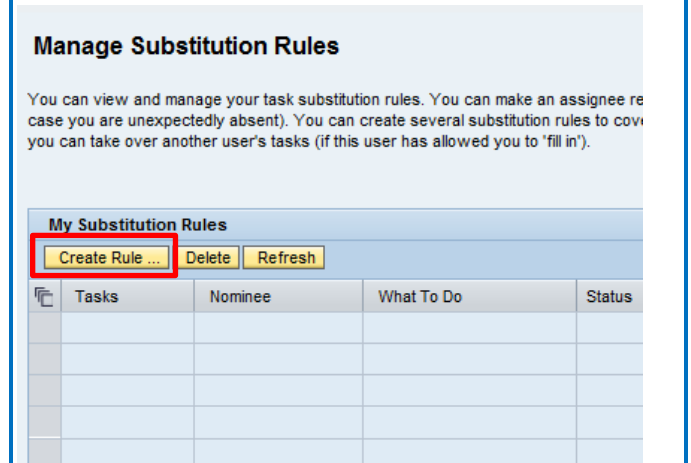

2. To Access the Manage Substitution Rules window, click on the Manage Substitution Rules icon.

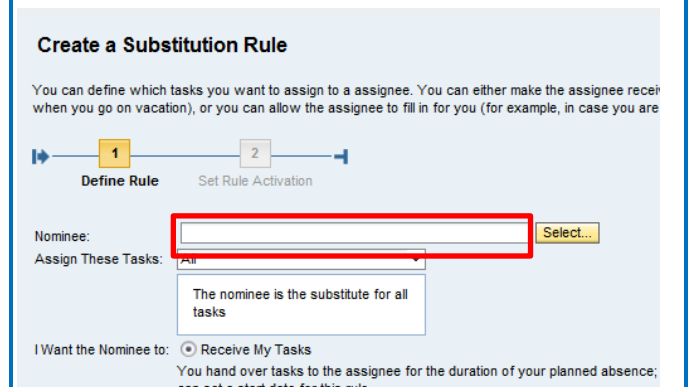

3. From the drop-down list, select Manage Substitutions.

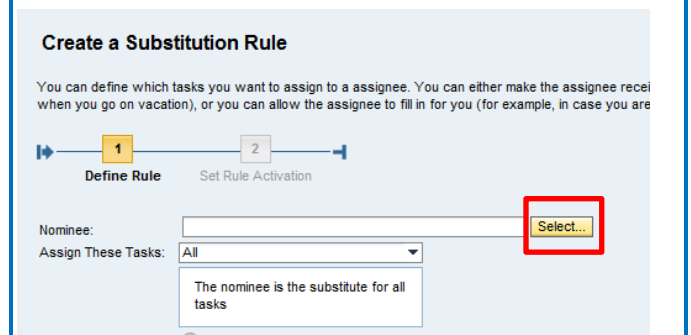

4. Create a new Substitution rule, click on the button Create Rule

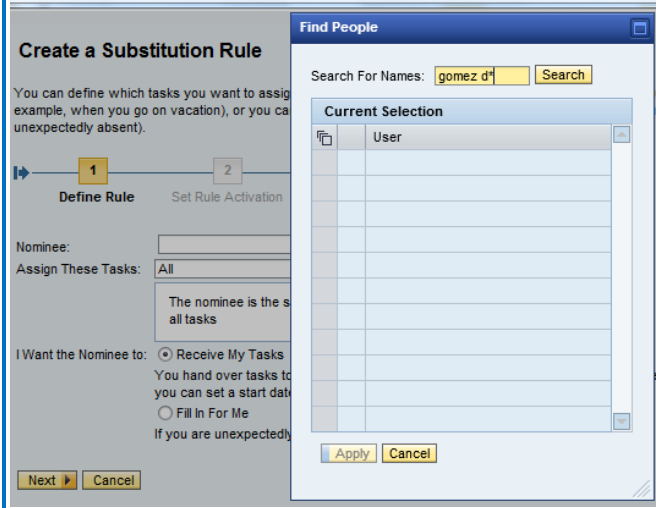

5. If you know the User id of the substitute, enter the User ID directly in the Nominee field.

6. If the user id is unknown, click on the Select button to search for the substitute by name.

- Enter the last name a space first letter of the first name followed by an asterisk. Then click the Search button.

Create a Substitution Rule

You can define which tasks you want to assign to an assignee. You can either make the assignee receive you when you go on vacation), or you can allow the assignee to fill in for you (for example, in case you are unexpectedly absent).

1 Define Rule 2 Set Rule Activation

Nominee:

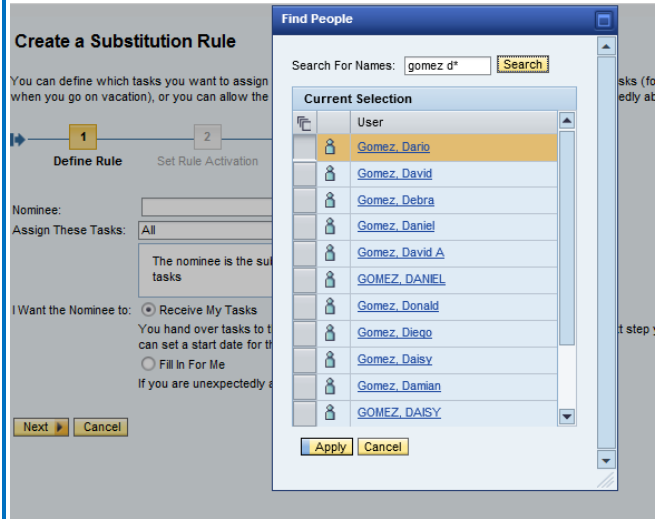

Assign These Tasks: All

The nominee is the substitute for all tasks

I Want the Nominee to: Receive My Tasks
 You hand over tasks to the assignee when you go on vacation; you can set a start date for this rule.
 Fill In For Me
 If you are unexpectedly absent, the assignee can take over your tasks completely.

Apply Cancel

- If the user is found select the user, click on the row and then click on the button Apply.

- Next select either the Receive My Tasks or the Fill in For Me radio button. If Receive My Tasks is selected, the substitute will immediately receive tasks in their Worklist. In this selection both the task owner and the substitute will receive email notifications to alert them of tasks needing action in the Worklist. NOTE: Either you or the substitute may approve the task and once it is approved it will disappear from the Universal Worklist (UWL). All "Time Keeper Approvers" will have the Shopping Cart Approver role. Now click on the Next button.
