MTA Expands FREE Student Field Trip Program

The MTA (Metropolitan Transportation Authority) has expanded their Student Field Trip Program to include 1st through 12th grades for Los Angeles County Schools. Through the program, students can now travel on MTA buses to eighteen educational sites throughout Los Angeles County free of charge.

Locations included in the program are: Disney Concert Hall, California Science Center, Natural History Museum, MOCA, Union Station, Olvera Street, Long Beach Aquarium, Wells Fargo Museum, Chinatown, Audubon Center (Nature Tours/Solar Energy workshops), The Armory, Japanese American Museum, Central Library, LACMA, City Hall/Court Buildings, Kidspace Museum, Balboa Park, Japanese Gardens, and The Arboretum & Botanical Garden.

To request a field trip, schools are required to go to the [MTA Web site](#) and complete the online curriculum and Field Trip Request form.

For additional information about the program, please visit the [MTA Web site](#) or contact Jacqueline "Jackie" Martinez, Transit Education Programs at 213-922-4048, studentfieldtrips@metro.net.
