

I am Dr. Reginald A. Sample, Community of Schools Administrator (COSA), a product of LAUSD and son of a teacher. My late mother who taught in LAUSD is my growing inspiration to serve, empower and lead historically underserved communities. It is an esteem honor

and privilege to serve 23 Pre K-12 schools and over 16,000 students in South Los Angeles (Florence-Firestone and Watts Compton/Willowbrook) which comprises of the Rivera Community of Schools. Such communities show a great sense of cultural and historical pride, resilience, and have deep rooted historical significance of landmarks that have stood tall for decades.

As a life -long learner I believe in the 5 C's: Compassion, Capacity Building, Collaboration, Communication, and Coordination of programs, services, and resources to improve social capital for communities. I a firm believer in the whole child concept, as it is critical that families and communities are partners in supporting and investing in our students academically, fiscally, social-emotionally, and through health and wellness. I am truly blessed to be a public servant for our schools and families in the Greater South Los Angeles area.

Celebrating Black History Month

Superintendent Dr. Michelle King was the first African-American woman to lead the Los Angeles Unified School District. Among her major accomplishments, she raised the graduation rate. A product of Los Angeles Unified, she graduated from Palisades High School, earned her undergraduate degree at UCLA, her master's degree at Pepperdine and her doctorate at the University of Southern California.

Great News!

Effective January 1, 2021, all CalFresh household benefits have been temporarily increased by 15% until June 2021!

Additional benefits for the months of January and February will be available on February 7, 2021.

Beginning March 2021, the 15% increase will be included in your regular monthly benefit issuance.
