ACHIEVEMENT

Return To Campus

Myrna N. Brutti
**Community of School
Administrator**

Welcome Back! I'm excited to see our students back to school in-person learning. I applaud all our students, families, and staff for their flexibility, patience and support through one of the most challenging times of our lives.

It was beautiful seeing the students smiling with their eyes and the excitement of students seeing their classmates and teachers. I look forward to seeing the rest of our schools reopen and hear the children's voices that was missed at our school campuses.

We are excited to open the remaining schools in the Achievement Network over the next two weeks. I want to remind parents to take students returning to campuses to take their COVID test. You can sign up for the test at dailypass.lausd.net.

A huge thank you to our amazing principals and school staff who have worked tirelessly in support of our students as we transition to a combination of online and in-person learning.

Quick Guide for Virtual and On-Campus Volunteering in Los Angeles Unified

Parent and community volunteers are an integral part of the learning community in the Los Angeles Unified School District. They provide specialized skills and expertise, school support and enrich a student's learning environment.

To become a volunteer in the Los Angeles Unified:

STEP 1 Fill out an application to volunteer at <https://volunteerapp.lausd.net>. Select whether you would like to serve as a Virtual or On-Campus volunteer and select a location where you would like to serve.

STEP 2 Virtual:

- Contact the site to notify them that you have filled out your application.

On-Campus:

- Contact the site to notify them that you have filled out your application.
- Have your valid Tuberculosis Clearance verification available.

STEP 3 The principal or site administrator will review the application and will approve or deny based on need.

STEP 4 The Office of Parent and Community Services (PCS) will conduct a final review of the application and confirm approval.

STEP 5 (For On-Campus Volunteers only): After PCS approves the application, the Los Angeles Unified will email you directions to schedule a vaccination appointment. While it is not required, the Los Angeles Unified highly encourages on-campus volunteers to be vaccinated.

For the safety of our volunteers, families and Los Angeles Unified staff during the COVID-19 pandemic, volunteer opportunities at the Los Angeles Unified will follow public health guidelines. There are limited opportunities available for on-campus volunteering for specific tasks. Opportunities to volunteer virtually are provided on an as-needed basis by school or office sites.
