

Return To Campus

Dr. Afia Hemphill
Administrator,
Carson Community of
Schools

Carson families! I'm excited to welcome students back to school in-person learning and bring words of encouragement to those of our students who have opted to stay with learning online. We are close to hitting our stride to wind down to the closing of the school year. I applaud all our students, families, and staff for persevering through one of the most challenging times of all our lives. We have been in this together and have been doing this together as a community and I count that as another success for Carson.

For our students returning, your school staff members have been working diligently to prepare for your arrival. We know you will enjoy being on campus and seeing classmates in-person although it may not quite be "school" as you remember. To try to keep everyone safe, the school and classrooms are set up for you to enjoy socially distant interactions and play at the elementary level.

For our students choosing to remain online, you are almost there. You've probably learned more about yourself and developed more independence than you ever imagined possible. You are resilient and strong, and you have made it through. Just a few more weeks left in this school year, and we all hope that all students will be able to return in the fall.

Quick Guide for Virtual and On-Campus Volunteering in Los Angeles Unified

Parent and community volunteers are an integral part of the learning community in the Los Angeles Unified School District. They provide specialized skills and expertise, school support and enrich a student's learning environment.

To become a volunteer in the Los Angeles Unified:

STEP 1 Fill out an application to volunteer at <https://volunteerapp.lausd.net>. Select whether you would like to serve as a Virtual or On-Campus volunteer and select a location where you would like to serve.

STEP 2 Virtual:

- Contact the site to notify them that you have filled out your application.

On-Campus:

- Contact the site to notify them that you have filled out your application.
- Have your valid Tuberculosis Clearance verification available.

STEP 3 The principal or site administrator will review the application and will approve or deny based on need.

STEP 4 The Office of Parent and Community Services (PCS) will conduct a final review of the application and confirm approval.

STEP 5 (For On-Campus Volunteers only): After PCS approves the application, the Los Angeles Unified will email you directions to schedule a vaccination appointment. While it is not required, the Los Angeles Unified highly encourages on-campus volunteers to be vaccinated.

For the safety of our volunteers, families and Los Angeles Unified staff during the COVID-19 pandemic, volunteer opportunities at the Los Angeles Unified will follow public health guidelines. There are limited opportunities available for on-campus volunteering for specific tasks. Opportunities to volunteer virtually are provided on an as-needed basis by school or office sites.

Calling for all parent and community members that are interested in volunteering!!
