

## Return To Campus

We would like to extend our gratitude to the San Pedro Community for their support and flexibility since the onset of the pandemic. The position we have been in for nearly 13 months now has undoubtedly been challenging for everyone. It is refreshing to know there are big signs of hope in our community. There is now life on sixth street with businesses and restaurants opening, and if you drive by Pedro High between the hours of 3-5 there are many teams practicing. Yesterday was a great day as we welcomed back the beautiful faces of Pre k-1st grade students at Crestwood Elementary! We had the pleasure of hearing their voices live in class and we got to see their excitement in returning to school. It was also our first step in welcoming back all of our San Pedro Schools.

## Quick Guide for Virtual and On-Campus Volunteering in Los Angeles Unified

Parent and community volunteers are an integral part of the learning community in the Los Angeles Unified School District. They provide specialized skills and expertise, school support and enrich a student's learning environment.

**To become a volunteer in the Los Angeles Unified:**

**STEP 1** Fill out an application to volunteer at <https://volunteerapp.lausd.net>. Select whether you would like to serve as a Virtual or On-Campus volunteer and select a location where you would like to serve.

**STEP 2 Virtual:**

- Contact the site to notify them that you have filled out your application.

**On-Campus:**

- Contact the site to notify them that you have filled out your application.
- Have your valid Tuberculosis Clearance verification available.

**STEP 3** The principal or site administrator will review the application and will approve or deny based on need.

**STEP 4** The Office of Parent and Community Services (PCS) will conduct a final review of the application and confirm approval.

**STEP 5** (For On-Campus Volunteers only): After PCS approves the application, the Los Angeles Unified will email you directions to schedule a vaccination appointment. While it is not required, the Los Angeles Unified highly encourages on-campus volunteers to be vaccinated.

*For the safety of our volunteers, families and Los Angeles Unified staff during the COVID-19 pandemic, volunteer opportunities at the Los Angeles Unified will follow public health guidelines. There are limited opportunities available for on-campus volunteering for specific tasks. Opportunities to volunteer virtually are provided on an as-needed basis by school or office sites.*

Calling for all parent and community members that are interested in volunteering!!
