

TK-12 STARSS Leadership Fellowship for Title III Coaches and EL Designees

This English Learner achievement professional learning series has been designed for school site leaders, Title III Instructional Coaches, EL Designees, and Site Administrators. Through this learning series, we will focus on supporting responsible reclassification of our Potential Long Term English Learners (PLTEs) and supporting them to become high achieving language and literacy “STARSS.” Resources will be provided to support tutoring, acceleration, and reclassification for student success. Remember, it is our moral imperative to shine the light on English Learner needs and to leverage their assets.
