## California Spanish Assessment (CSA) Workshop for Target Language Teachers in Spanish DLE Programs (Grades 3-8)

This workshop will provide Dual Language Education (DLE) program teachers with information and instructional support for the CA Spanish Assessment. The CSA is the primary language assessment in Spanish for all students in grades 3-8 who are enrolled in a Spanish DLE program regardless of their language classification. Teachers will analyze how the *CA Common Core State Standards en Español* for Spanish Language Arts align with rigorous college and career readiness instruction, experience how the CSA assesses Spanish reading, writing mechanics, and listening, and discuss strategies and practices to support biliteracy. This training will be conducted mostly in Spanish.

Teachers will be compensated at training rate (\$25/hr)
