Secondary Designated ELD (dELD) English Learner Instructional Approaches Training for Teachers of ELD Courses

How might the EL Instructional Approaches support students' language development toward proficiency on the ELPAC and Basic Skills Assessments?

The Multilingual and Multicultural Education Department is offering a one-day professional development on English Learner Instructional Approaches for middle and high school teachers of students in ELD levels 1-4, Literacy & Language, and Advanced ELD courses.

Participants will:

- Understand the structure and content of the CA ELD Standards
- Learn about the EL Instructional Approaches and how to incorporate them in their ELD curriculum to support English Language Development
- Understand how the EL Instructional Approaches foster student success on the ELPAC and Basic Skills Assessment
- Plan a lesson incorporating EL Instructional Approaches with curricular resources that support student language development
