<i>Comments: Proposal offers nothing different. They didnt focus on how they will improve the school. I think the team mission and vision can really help us to prepare us to be in college and careers. Seemed grounded in experience and data. Seem dedicated to the success of students. Good presentation. Good enthusiasm. The LAUSD Team did very good. It was good. We needed more time but I liked their responses better than YPI. I consider that the instruction based on the school expectations are very good, to analyze the statistics in order to achieve the changes is marvelous.</i>
