The LEA shall provide, on an equitable basis, special education services or other benefits to eligible children attending a nonprofit private school.

CDE Program Contact:

Sylvia Hanna, Title I Policy and Program Guidance Office, shanna@cde.ca.gov, 916-319-0948
Rina DeRose, Title I Policy and Program Guidance Office, RDerose@cde.ca.gov, 916-323-0472

2018-19 Other ESEA Nonprofit Private School Participation

The LEA must offer to provide equitable services that address the needs of nonprofit private school students, teachers and other educational personnel under the programs listed below.

CDE Program Contact:

Anie Wilson, Teacher and Leader Policy Office, awilson@cde.ca.gov, 916-445-5669
Geoffrey Ndirangu, Language Policy and Leadership Office, gndirang@cde.ca.gov, 916-323-5831

Title II, Part A Improving Teacher and Principal Quality

The LEA must offer to provide Title II, Part A equitable services that address the needs of nonprofit private school students, teachers and other educational personnel. The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information filed in the Private School Affidavit is not verified and the CDE takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify nonprofit status and the accuracy of student enrollment data if it is being used for the purpose of providing equitable services.

Title III Immigrant and English Learner Student Subgrant Program

On an annual basis, the LEA must consult with all nonprofit private schools within its boundaries, as to whether the private school students and teachers will participate in the Title III English Language Acquisition, Language Enhancement, and Academic Achievement Program. Consultation with appropriate nonprofit private school officials must be done during the design and development of programs and before decisions are made that affect the opportunities of students and teachers to participate. LEAs may not require documentation that poses an administrative barrier that is inconsistent to their responsibility to ensure equitable participation of private school students and teachers.
