**TITLE:** Establishing and Administering School /  
Office Volunteer Programs

**NUMBER:** BUL-6746.4

**ISSUER:** Pedro Salcido  
Chief of Staff  
Office of the Superintendent

Antonio Plascencia, Jr.  
Director  
Office of Parent and Community Services

**ROUTING**  
All Employees  
All Locations

**DATE:** August 15, 2022

**POLICY:** The policy provides guidance to school and District office administrators in establishing and administering volunteer programs that support the Los Angeles Unified School District’s (LAUSD) goals. LAUSD values volunteers as important partners in supporting student achievement. This volunteer program policy has been established in order to provide a safe environment for all and support the involvement of parents and community members in LAUSD public schools. Parents/guardians have the right to be included in the educational process and to have access to the system on behalf of their children. These rights are outlined in California Education Code, Section 51101(a)(3), indicating parents/ guardians have the right “to volunteer their time and resources for the improvement of school facilities and school programs under the supervision of district employees, including, but not limited to, providing assistance in the classroom with approval, and under the direct supervision, of the teacher. Although volunteer parents may assist with instruction, primary instructional responsibility shall remain with the teacher.”

**MAJOR CHANGES:** Bulletin 6746.4 replaces BUL-6746.3, *Establishing and Administering School/Office Volunteer Programs* dated August 16, 2021, from the Office of Parent and Community Services (PCS). This revised policy provides clarity on the rollover process for volunteer applications, roles of the school or District office administrator, approver or designee, and defines intern programs compatible with the volunteer program.

**GUIDELINES: I. LAUSD SCHOOL/OFFICE VOLUNTEER PROGRAMS**

**What is a Volunteer?**

Early and consistent parental involvement helps children do well academically. Parents/guardians and extended family are encouraged and welcomed to become involved in the formal education of their

children by volunteering at their child's school.

A volunteer is any individual who assists at a school site or District office without monetary compensation. This includes parents, community members, interns and in some cases, high school or college students.

Parents/guardians who are unable to volunteer at the school site during the day due to certain circumstances may apply to be an at-home or virtual volunteer, where they can participate in the virtual environment, or may support volunteer activities from their homes. A tiered system of health and safety requirements is provided below for virtual and on-campus volunteers.

## **Classroom Observations**

Classroom observation by parents is a right distinguished from volunteering, according to California Education Code, Section 51101(a)(1) parents/guardians have the right "within a reasonable period of time following making the request, to observe the classroom or classrooms in which their child is enrolled or for the purpose of selecting the school in which their child will be enrolled in accordance with the requirements of any intradistrict or interdistrict pupil attendance policies or programs." It is recommended for a school administrator to meet with the parent and dialogue about what both parties agree to be reasonable.

In addition, the administrator or administrative designee has the option to decide if volunteer services are needed or to deny any person on-campus volunteer service opportunities. In the situation where the volunteer is a parent of a child at the school, the school administrator must identify ways that the parent can volunteer from home. The administrator or administrative designee can also determine when volunteer services are no longer needed and discontinue volunteer services.

## **II. PURPOSE OF THE LAUSD SCHOOL/OFFICE VOLUNTEER PROGRAMS**

The purpose of the LAUSD school/office volunteer programs is to augment and enhance educational and support services to schools and offices by leveraging the rich talents and expertise of parents/guardians and members of the school community. Volunteers contribute to schools and District offices in the following ways:

- a. Enrich the school experience for students and staff

# LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- b. Assist teachers in the classrooms
- c. Assist students, staff, parent, and community activities
- d. Promote partnerships between the school, the District, the home and the community
- e. Serve as positive role models for students

### III. FOUR-TIERED VOLUNTEER SYSTEM

The four-tiered volunteer system was developed to assist the school community with identifying the various health and safety requirements, and duties and responsibilities for volunteers. The duties and responsibilities outlined below are only a summary and ***NOT intended to be all-inclusive.***

Tier 1	Tier II	Tier III	Tier IV

## **Fingerprinting**

Please note that fingerprinting is done through the Live Scan process, which captures the fingerprints electronically. The fingerprint data is then submitted to the California Department of Justice (DOJ) to perform a statewide criminal record search. The DOJ also sends the fingerprints to the Federal Bureau of Investigation (FBI) to check against the national criminal history database. The District is precluded from sharing or divulging criminal record history exists, unless expressly authorized to outside entities. Information received is kept in a confidential file and is destroyed once a determination is made. See Attachment G1/G2 for more information about the fingerprinting process and LAUSD-approved Live Scan locations.

## **IV. VOLUNTEER APPLICATION PROCESS**

Tier I volunteers fill out the Single Event Volunteer Application (Attachments A1/A2) or the On-Demand Safety Volunteer Application (Attachments B1/B2) and submit the completed application to the principal or another authorized administrator for approval. These instances are rare. These applications do not need to be submitted to the District or Local District for approval. In addition, Tier I volunteers must sign and submit the Volunteer Commitment Form (Attachments C1/C2). These volunteer applications must be kept in a secure locked location for safekeeping in the main office for five years.

Tier II and Tier III volunteers must have an application on file in the online Volunteer Management System (Attachments D1/D2). In addition, Tier II and Tier III volunteers must sign and submit the Volunteer Commitment Forms. Schools must provide support if volunteers require assistance filling out the application online. Attachments E1/E2 and Attachment F contain step-by-step details regarding the application process.

All requirements for that Tier must be fulfilled prior to providing volunteer services if a volunteer changes Tiers.

### **Information for Volunteers**

Individuals interested in volunteering must check with the school administrator or designee regarding available Tier II and Tier III volunteer opportunities before submitting a Volunteer Application in the Volunteer Management System.

The administrator must contact the PCS office to identify a designee or additional approver who will be granted access to the online Volunteer Management System.
- The site administrator is the only automatic Approver. The Approver must ensure that the volunteer has all the required health and safety clearances before approving the application in the Volunteer Management System. The PCS office will process the application. The principal and volunteer will receive an email with an approval letter. On-Campus volunteers will also receive a temporary badge via email. The volunteer badge indicates that the volunteer is ready to begin their duties. Schools will receive a current school year LAUSD volunteer badge for each On-Campus volunteer via school mail. The school will notify the prospective volunteer when their badge has arrived at the school. The current LAUSD volunteer badge must remain at the school in a secure location.
- The Approver must also ensure the following occurs:
  - a. All volunteer applicants, including LAUSD employees and continuing volunteers, are checked annually against the California Megan's Law Website. Any prospective volunteer whose name appears on the California Megan's Law Website will not be cleared to volunteer at the school or District office.

Prospective volunteers whose names appear on the database must be given opportunities to volunteer from home.

## **Volunteer Management Roll Over Process**

Due to health and safety precautions, employees will no longer be able to roll over volunteer applications from one year to the next.

When the new school year volunteer application window opens, prospective volunteers are invited to create a new application. This process will ensure that all on-campus applicants agree to the Waiver and Release of Liability and Statement of Understanding Regarding COVID-19 Infection.

The Volunteer Management System stores prior applicant contact information, such as name, address, phone number and email address, and will copy the information from one application to the next. Volunteers will review that all information is still correct and select the type of volunteer service they wish to provide in addition to the volunteer location.

Designees and approvers must annually enter the date they verified applicants do not appear in the CA Megan's Law Online database. TB Clearance dates may be re-entered and are valid for up to four years from the initial clearance date. Fingerprint Clearance dates may also be re-entered provided that volunteers have not had more than a two-year gap in volunteer service.

## **VI. DISCONTINUATION OF VOLUNTEER SERVICES**

There are times when certain situations call for a volunteer's service to be discontinued. The school and/or District administrator may discontinue a person's volunteer services when that person poses a danger or threat to staff, students, or other adults or when the volunteer violates the privacy of students or any other person on the school site. In addition, a volunteer's service may be discontinued for failure to follow District policies such as the Respectful Treatment of Others Board Resolution, discrimination, or harassment policies, the LAUSD Code of Conduct with Students and the LAUSD Employee Code of Ethics. Failure of the volunteer to abide by the signed Volunteer Commitment Form may also be cause for a volunteer's services to be discontinued. This includes a person who has been issued a disruptive person letter during the current school year.

An Approver has the option to deny any person on-campus volunteer services. In these situations, the school administrator must identify ways that parents can volunteer at home. An Approver can also determine when volunteer services are no longer needed.

# LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

---

The Office of Parent and Community Services must be informed in writing of such action.

## **VII. SAFETY CLEARANCE REQUIREMENTS CALIFORNIA MEGAN'S LAW**

### **Website Clearance**

In accordance with District policy, the administrator or administrative designee must check all volunteers, including on-campus and virtual volunteers, LAUSD employee volunteers, and continuing volunteers serving in schools and District offices, against the California Megan's Law Website at <http://www.meganslaw.ca.gov/>. Any volunteer applicant whose name appears on the California Megan's Law Website is prohibited from serving as a volunteer on site in any capacity for any length of time, including Single Event activities.

### **Federal Bureau of Investigation (FBI) and Department of Justice (DOJ) Fingerprinting Clearance**

Tier III volunteers must be fingerprinted. Volunteer applicants need to be fingerprinted only once during their volunteer services. However, if the volunteer ceases to volunteer for a period of two years or longer, a new fingerprint clearance is required. LAUSD adheres to the California State statutes pertaining to supervised volunteerism in public schools. Parent and community volunteers are fingerprinted at no cost.

Active LAUSD employees may use their District employment start date as their volunteer fingerprint clearance date. District certificated and classified employees who separate from the LAUSD and wish to volunteer must be fingerprinted.

Volunteers may choose to make their own appointment for fingerprinting through LAUSD-approved fingerprint sites by visiting <http://www.applicantservices.com/LAUVOL> and carefully following the prompts to set up an appointment. Upon request, school/office staff may contact an LAUSD Fingerprinting location to make an appointment for the volunteer being fingerprinted (Attachments G1/G2). Provisions in applicable Memoranda of Understanding (MOU) or agency agreements for internships and the District's Human Resources policies and procedures pertaining to fingerprinting processes and fees will be followed.

# LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

## VIII. HEALTH CLEARANCE REQUIREMENTS

Health clearances (Attachments H1/H2) are required for all volunteers except for active LAUSD employees. Tier II and Tier III

volunteers must provide clearance of TB prior to starting on-campus volunteer services (Attachments I1/I2 or Attachment J). Valid forms of TB clearance include a letter from a medical professional stating that the patient does not have Tuberculosis.

TB test results for new LAUSD volunteers are valid for up to 60 days prior to starting volunteer services. TB clearance for continuing volunteers is valid for a period of up to four years.

On-Campus volunteers in schools and classrooms with preschool age students have additional requirements regarding influenza vaccinations (Attachment K). The Early Education programs include:

- a. Expanded Transitional Kindergarten (ETK – formerly SRLDP)
- b. Expanded Transitional Kindergarten/Preschool Collaborative Classroom (ETK/PCC)
- c. Early Education Centers (EEC)
- d. California State Preschool Programs (CSPP)

## IX. OTHER VOLUNTEERS

The following section describes other types of volunteers and the criteria they must adhere to when volunteering at a school or District office:

### Extended Family Members

Extended family members include grandparents, uncles, aunts, cousins, siblings, etc. Extended Family Members must submit the appropriate application, and sign and submit the LAUSD Volunteer Commitment Form.

### Community Members

Community members are defined as anyone who lives in the surrounding community of a school or are employees of community-based organizations and agencies or are business representatives from the wider business community or the local community. Community members must submit the appropriate application, and sign and submit the LAUSD Volunteer Commitment Form.

# LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

---

## LAUSD High School Students

LAUSD high school students currently enrolled in 10th through 12th grade may volunteer with permission of their parent/guardian and the school administrator or designee (Attachment L). The LAUSD Student Volunteer Permission Form must be signed by the student and the parent/guardian and submitted to the school administrator.

The student must also sign the LAUSD Volunteer Commitment Form and submit it to the school administrator. The school must ensure that the volunteer forms, which contain student information, are kept in the school's main office in a secure locked location for five years.

High School Students not enrolled in a LAUSD High School are not permitted to volunteer in LAUSD schools.

## LAUSD Active Employees

LAUSD employees who volunteer must also fill out the online Volunteer Management System application. The District requires employees to submit fingerprint and TB clearance prior to date of hire so the health and safety clearance requirements have been met for active LAUSD employees. Employees may show proof of TB clearance by logging into the LAUSD Employee Self Service, <https://ess.lausd.net>, and selecting "My TB Compliance".

## University Interns and Volunteers from Community Organizations with MOUs

Candidates completing the School Mental Health (SMH) and Pupil Services and Attendance (PSA) intern program are the only candidates who can complete hours during the school volunteer program.

Tier III volunteers associated with community organizations are required to complete the volunteer application and go through the health and safety screening process that includes fingerprint clearance.

Provisions in applicable Memoranda of Understanding or agency agreements for SMH/PSA internships and applicable District Human Resources policies and procedures pertaining to fingerprinting processes and fees will be followed.

University students aged 18 or older who wish to volunteer without compensation or fulfillment of university program requirements are welcome to apply as community members.

## FINGERPRINT REQUIREMENTS

Federal Bureau of Investigation (FBI) and Department of Justice (DOJ) Fingerprinting Clearance

Volunteer applicants need to be fingerprinted only once during their volunteer services. However, if the volunteer ceases to volunteer for a period of two years or longer, a new fingerprint clearance is required. District certificated and classified employees who separate from the LAUSD and wish to volunteer must be fingerprinted. LAUSD adheres to the California State statutes pertaining to supervised volunteerism in public schools. Parent and community volunteers are fingerprinted at no cost.

At any time, the administrator or administrative designee may require all volunteers, with the exception of current District employees, to arrange for fingerprint clearance if deemed necessary.

Fingerprint clearance by the FBI and DOJ is required for TIER III Volunteers (Attachment N1).

Fingerprinting must be conducted through an LAUSD-approved location. The Live Scan fingerprinting process conducted through an LAUSD-approved location notifies the District if a volunteer has been arrested or a crime has been committed for any reason.

## Influenza Vaccine Declination

### Senate Bill (SB) 792

Commencing September 1, 2016, SB 792 would prohibit a person from being employed or volunteering at a day care center if he or she has not been immunized against influenza, pertussis, and measles. Each employee and volunteer shall receive an influenza vaccination between August 1 and December 1 of each year. *A person is exempt from the requirements of this section only under any of the following circumstances: The person submits a written declaration that he or she has declined the influenza vaccination. This exemption applies only to the influenza vaccine.*

I acknowledge that I am aware of the following facts:

- ✓ Influenza is a serious respiratory disease that kills thousands of people in the United States each year.
- ✓ Influenza vaccination is recommended for me and all other healthcare workers to protect this facility's patients from influenza, its complications, and death.
- ✓ If I contract influenza, I can shed the virus for 24 hours before influenza symptoms appear. My shedding the virus can spread influenza to patients in this facility.
- ✓ If I become infected with influenza, even if my symptoms are mild or non-existent, I can spread it to others and they can become seriously ill.
- ✓ I understand that the strains of virus that cause influenza infection change almost every year and, even if they don't change, my immunity declines overtime. This is why vaccination against influenza is recommended each year.
- ✓ I understand that I cannot get influenza from the influenza vaccine.
- ✓ The consequences of my refusing to be vaccinated could have life-threatening consequences to my health and the health of those with whom I have contact, including:
  - my coworkers
  - my family
  - my community

Despite these facts, I am choosing to decline the influenza vaccination right now for the following reasons:

---

---

---

I understand that I can change my mind at any time and accept the influenza vaccination, if vaccine is still available.

I have read and fully understand the information on this declination form.

## **WAIVER AND RELEASE OF LIABILITY AND STATEMENT OF UNDERSTANDING REGARDING COVID-19 INFECTION (WAIVER/RELEASE)**

I am choosing to participate voluntarily at my own risk as a volunteer of the Los Angeles Unified School District through its School Volunteer Program.

COVID-19 is a highly contagious lethal virus with no known cure. The Los Angeles Unified School District (LAUSD) has no control over the virus and cannot guarantee that the school or site is safe from exposure to COVID-19. Please seriously consider that the risk of your voluntary participation is contracting COVID-19.

I acknowledge that I can be exposed to or contract COVID-19 while participating on campus as a volunteer. I have read and understood the above warning concerning COVID-19. I choose to accept and assume the risk of contracting COVID-19 in order to participate as a parent/guardian volunteer. The parent volunteer activity is of such value to me that I accept and assume the risk of being exposed to, contracting, and/or spreading COVID-19 in order to participate in the volunteer activities. I understand that if I do not execute this Waiver/Release, I will not be permitted to serve as a parent/guardian volunteer at any LAUSD school or site.

I hereby expressly waive and release the LAUSD, the Board of Education of LAUSD, and its members, employees and agents, from any and all liability, claims, lawsuits or damages of any nature whatsoever arising directly or indirectly from COVID-19 infections or transmission related to my participation as a parent/guardian volunteer. I understand that this waiver means that I forever give up any rights to bring any claims or lawsuits for personal injuries, death, disease, or any other loss, including, but not limited to, claims of negligence, and forever give up any claim that I may have to seek damages, whether known or unknown, foreseen or unforeseen, in connection with COVID-19. I understand and agree that this waiver and release is intended to be interpreted broadly in favor of LAUSD.

I attest that I am over 18 years of age and am the parent or legal guardian of a LAUSD student or a community member. By signing, I acknowledge reading and agreeing to the terms in the waiver and release of liability.

## **EXENCIÓN DE RESPONSABILIDAD, RENUNCIA VOLUNTARIA Y DECLARACIÓN DE ENTENDIMIENTO CON RESPECTO A INFECCIÓN POR COVID-19 (EXENCIÓN/RENUNCIA DE DERECHOS)**

Opto por participar voluntariamente por cuenta y riesgo propio como voluntario del Distrito Escolar Unificado de Los Ángeles por medio de su Programa de Voluntariado Escolar.

COVID-19 es un virus letal y altamente contagioso sin cura conocida. El Distrito Escolar Unificado de Los Ángeles (LAUSD) no tiene control sobre el virus y no puede garantizar que la escuela o el sitio estén libres de la exposición a COVID-19. Considere seriamente el riesgo de contraer COVID-19 al participar de forma voluntaria.

Reconozco que puedo estar expuesto a COVID-19, o contraerlo, mientras participo en el plantel escolar como voluntario. He leído y entiendo la advertencia anterior sobre COVID-19. Acepto y asumo el riesgo de contraer COVID-19 para participar como padre/tutor legal voluntario. La actividad del voluntariado de los padres es de tal valor para mí que acepto y asumo el riesgo de estar expuesto a, contraer y/o propagar COVID-19 para poder participar en las actividades de voluntariado. Entiendo que si no acepto esta Exención/Renuncia de derechos, no se me permitirá servir como padre/tutor legal voluntario en ninguna escuela o plantel de LAUSD.

Por la presente, acepto renunciar a mis derechos y eximir al LAUSD, la Junta de Educación de LAUSD, y sus miembros, empleados y agentes, de cualquier responsabilidad, reclamación, pleito o daño de cualquier índole que surja directa o indirectamente de la infección o transmisión de COVID-19 relacionada con mi participación como padre/tutor legal voluntario. Entiendo que esta exención significa que renuncio para siempre a cualquier derecho a presentar reclamaciones o demandas por lesiones personales, muerte, enfermedad o cualquier otra pérdida, incluyendo, pero no limitado a, reclamaciones por negligencia, y renuncio para siempre a cualquier recurso del que disponga para reclamar daños y perjuicios, ya sean conocidos o desconocidos, previstos o imprevistos, con relación a COVID-19. Entiendo y estoy de acuerdo en que esta exención y renuncia de derechos tiene como fin ser interpretada ampliamente a favor del LAUSD.

Consto que tengo más de 18 años de edad y soy el padre o tutor legal de un estudiante de LAUSD. Al presentar la solicitud de Voluntariado Escolar estoy de acuerdo con los términos en la exención de responsabilidad y renuncia de derechos.

Al firmar confirmo que he leído y que acepto los términos de la exención y la renuncia de responsabilidad.
