TOSHIBA FASTSTART

The purpose of this FastStart Guide is to allow an Administrator to quickly gather meter reads for the Toshiba e-STUDIO1355 Series Systems.

The Administrator should not consider this guide to provide absolute, thorough knowledge of the system's Counter feature and capabilities.

The Administrator should consult the Operating Instructions – About This Machine manual for the e-STUDIO1355 Series to learn about DISPLAYING TOTAL COUNTER and the COUNTER options.
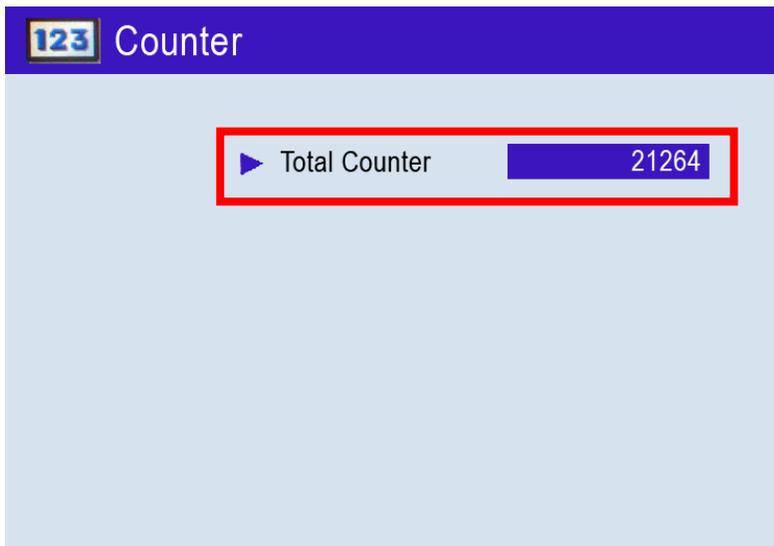

This guide provides instructions for the following Toshiba e-STUDIO Systems.

1. e-STUDIO1355 Series (1355 /1105 / 905)

Viewing Total Counter for Meter Reads

1) Click the **Counter** button to the left of numeric keypad.

2) The **Total Counter** will display the total number of prints and copies.
.

3) Select **Print Counter List** (if desired).
