NEW Sign-in Procedures

To access Edgenuity (Blended Learning Model) all LAUSD students and staff must use their SSO at this new log-in screen:

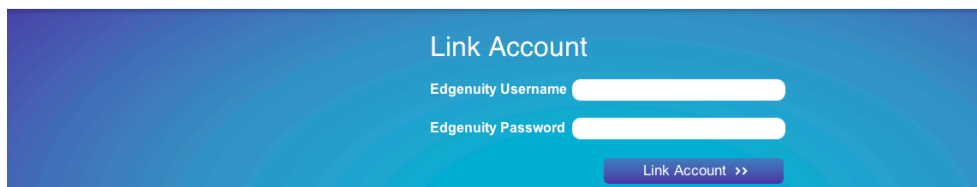

<https://lausd.learn.edgenuity.com>

Instructions for staff that were given an account during the Edgenuity PD (June & August sessions):

- 1) STEP 1: Go to <https://lausd.learn.edgenuity.com>.
- 2) STEP 2: **Select EDUCATOR**
- 3) STEP 3: **Sign-in using your LAUSD SSO. Your username is your entire email address.**

- 4) STEP 4: If you are prompted to LINK your account (see screen below), please enter the login credentials you were using during training.
 - This step is necessary to merge your SSO identity and the account that was given to you during training, so you only have one account moving forward.

- 5) Step 5: You should now see your dashboard; your accounts have been merged. Moving forward always login using the above link and your LAUSD SSO.

NEED HELP? : Please call the EDGENUITY Help line for support; they will walk you through the process of linking your accounts.
