JOB AID
9/16/14

This job aid is designed to provide instruction in the process to **generate** and **print** a **class rank report** of seniors.

Users with the **Principal, Scheduling Administrator, Counselor, and Office Manager** roles have the ability to perform the tasks in this document. This job aid was created using the **Counselor** role at a **senior high school**.

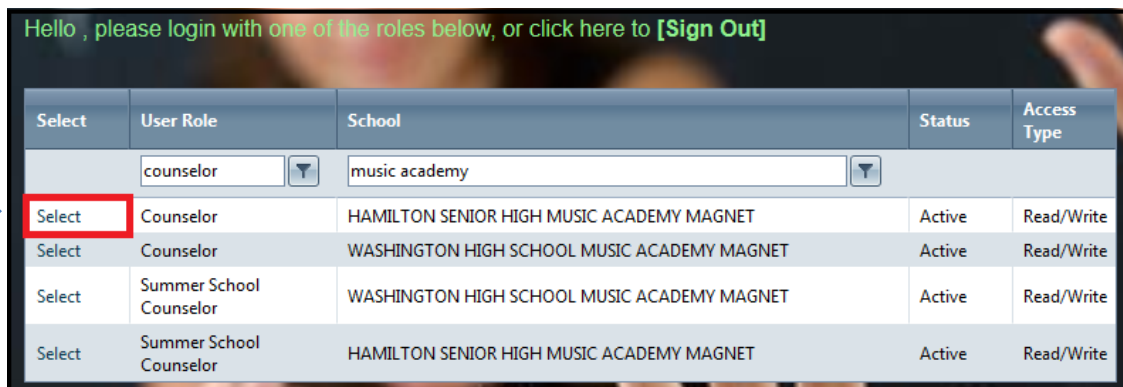

Step 1 Log into MiSiS with the following URL:
<http://misis.lausd.net/start>, from your internet browser,
using your single sign-on (SSO) user ID and password.

The login screen for MiSiS (My Integrated Student Information System) features a blue and yellow circular logo. Below the logo, there are input fields for 'User name' (containing 'counselor4') and 'Password' (masked with dots). A 'Log In' button is at the bottom right. A message at the bottom says 'Please enter your SSO User Name & Password'.
