

True Elective via 80005(b) for 2024-2025 Academic Year

### Information

True electives are courses for which no credential exists that authorizes the curriculum and elective credit being given for a course. In these instances, assigning a teacher via Title 5 §80005(b) may be an option is an option as long as all of the following Commission on Teacher Credentialing (CTC) requirements are met.

In such instances, assigning a teacher via EC §44865, the Commission on Teacher Credentialing (CTC) requires that **ALL** of the following criteria be met:

#### The Teacher

- Holds a valid California general education teaching credential issued based on completion of ALL of the following:
  - o A bachelor's degree
  - o Teacher Preparation Program
  - Student Teaching

Typically, these are holders of Preliminary, Clear or Life Multiple or Single Subject credentials.

- Has Special fitness to perform.
- Consents to the assignment
- Assignment location is at the requesting school site

#### The Principal

 Can verify that the credentialed teacher has the knowledge and training that best fulfills the needs of the students.

This may be verified by any of the following options:

- The teacher has one or more years of experience successfully teaching the subject.
- The teacher has completed professional development and/or training in the subject/course. Generic workshops and or weekly school professional development do not meet these criteria. Please note that if selected for an audit, a copy of the flyer/syllabus related to the professional development listed may be requested.
- The teacher has completed college/university coursework in the specific subject.
   For these instances, HR may request copies of official transcripts if we do not already have them on file.
- Consents to assigning this teacher to this assignment.
