DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

A Plant Manager is responsible to the site administrator for the cleaning, operation, and security of assigned plant(s). The classification level is determined by the custodial daily labor allotment in accordance with the formula set forth below. At the higher Plant Manager levels, more time is spent in planning, scheduling, and supervising, and less time in participating in custodial work.

<u>Classification</u>	<u>Allotment Range*</u>
Plant Manager	1 - 39.99 hours
Plant Manager II	40 - 79.99 hours**
Plant Manager III	80 - 159.99 hours**
Plant Manager IV	160 - hours**

*A "cushion area" is provided between classification levels in order to reduce the incidence of reclassifications.

**For Plant Manager positions responsible for groups of 3 - 5 elementary schools, hour allotment requirements are reduced by four hours for each site supervised above two; e.g., if a Plant Manager position supervises three sites, the critical figures in the formula would be reduced by four hours.

SUPERVISION

A Plant Manager receives general supervision from a school principal or other site administrator. Functional and technical supervision is received from Area Maintenance and Operations personnel. Supervision is exercised of Building and Grounds Workers, and at higher levels, may be exercised over other employees.
